Dr. Ovedia Glover, Principal

Dr. Ruth Bennett, Assistant Principal for Instruction

Dr. Jennifer Wynn, Assistant Principal

Wednesday, September 5, 2018

Dear Parent or Guardian,

Hilltop is excited to announce that IStation is returning for this school year. This program is a wonderful learning opportunity for our students.

Houston County has provided two faculty members to assist our teachers in facilitating the IStation program. Mrs. LaNell Waller and Mrs. Lisa Ward, both retired educators, will be working with our children to provide the extra instruction/practice that this program provides.

Every week, your student will receive 30 minutes of instruction using the IStation platform. At the beginning of each month, the students will take an assessment that will place them on a Tier. Some students will be placed on Tier 2 or Tier 3 which is an indicator that they would benefit from extra instruction/practice in a particular area of instruction. These students will come to the IStation room and work with Mrs. Waller and Mrs. Ward for the allotted minutes per week. These tiers may be subject to change each month depending on your student's success in the program.

The exciting part about IStation is that you can also download the program to use at home. IStation offers unlimited home access for our students. Below is all the information you will need to get your student signed up and signed in.

The first step is to install IStation on your home computer. This is a quick and easy process. Go to www.istation.com/IstationHome and follow the simple instructions.

Student's Name

School/Domain: hilltops.houstonco.ga

Username: Student lunch number

Password: password

The www.istation.com/IstationHome web page also provides information on how to log in to the Istation Parent Portal, where you can view your child's progress and access reports and other resources.

If you ever need assistance with the program, please visit www.istation.com, or call 1-866-7323 toll-free (press 2), or email support@istation.com.
