State and Federal Funds

It is the policy of the Board of Education to seek sources of state and federal revenue to supplement funds provided by local taxation and the basic aid offered by the State of Connecticut, provided such funds will be used in a manner consistent with the Board's goals and objectives.

In accordance with this policy, the Superintendent or his or her designee should:

1. Investigate new sources of revenue consistent with the stated goals and objectives of the Board of Education.
2. Propose new revenue sources and associated programs to the Board of Education for approval.
3. Implement measures necessary to apply for/receive additional revenues.

The Board authorizes the Superintendent or designee to sign all forms for state and federal aid programs following the Board's approval of the program or its continuation.

The Superintendent shall report annually, as part of budget preparation, on the status of all state and federal grant funding and shall advise the Board on his or her recommendation as to whether to continue to seek each particular source of aid.
