"The way Mr. Swartz teaches our class is my favorite part by far. It has really benefited me in a lot of ways." -Ava, Class of 2021

Meet your instructors:

Mr. Ryan Swartz, Instructor

Mr. Swartz graduated from Delta College with an Associate's Degree in Criminal Justice. He has experience working in Law Enforcement including narcotic investigations, use of force, and courtroom testimony, to name a few. His favorite part of teaching the Law Enforcement/Public Safety program is giving his students the hands on training in a fun and high energy setting so they can make the best decisions and be a step ahead of their competition in their future careers.

What can you do in this program that is unique?

- ✓ Students get to learn tactical responses by practicing building entries/searches as well as use of force.
- ✓ Students will investigate a crime scene and follow their investigation all the way through an arrest and to a mock trial.
- ✓ Students get to hear from professionals about their experiences in the various careers in criminal justice, not limited to police officers.

What do students have to say?

"The Law Enforcement program at the Tech Center gave me a clear view of my future career and an advanced start on my College courses."

*Brandon Pfaff, Class of 2016
Bay County Sheriff Deputy*

"I most definitely feel that after taking this course I will be a step ahead of other students in my college courses"

Ben Thompson, Class of 2020
