## 5<sup>th</sup> Grade Learning Resources

We would like to extend some resources that would be beneficial to ALL of our 5<sup>th</sup> grade Learners over their extended absences.

This is NOT mandatory. We simply wanted to provide resources for those of you who would like to work on academic learning with your students over the break.

We have broken it down by the academic subject areas and added online resources.

These are ideas and resources from which you can choose. All Quizzes are for practice only and will not be graded.
