

Tiger Weekly: Spring 2021

Week of April 26-30, 2021

Message from the Principal:

To get the results you want, an individual has to put in the attitude, effort, and work it takes to achieve the best result. Progress reports will be going home on April 30 with our in-person students and picked up on Wednesday, May 5 for our remote learners. You need to look at this report as a warning. If it has a passing average and the grades you want, then, it is a warning of good things to come. If it has a failing average and low grades, then, you need to make a decision. Your choice is to take action and do what it takes to pass your class or classes or to continue to not put in the attitude, effort, and work it takes to reach the goal of passing. As your principal, I hope you make the decision to succeed. Your focus needs to be on passing your courses and making the most of the remainder of the school year by learning as much as you can in the weeks we have left. JJ Watt, once said, "Success isn't owned; it's leased. And rent is DUE every day." Think about that quote and its message. Attend your Google Meets, do your work in-person and/or in Canvas, ask your teachers how to get in good standing, and take action to earn the results you want. If you want to be successful, you have to work for it every day. Each of you have the opportunity to put forth your best efforts over the upcoming weeks; do your future selves a huge favor and decide to work hard now rather than have regrets later.

*Dennis Hamilton,
Randleman High School Principal*

This Week...

- April 29- Cap and Gown Pictures in the Blue Building; time TBD
- April 30- Q4 Interim Reports go home with in-person students

Remote students, remember to do your attendance each day according to the directions provided by your teachers. Also, remember to contact your teachers to make arrangements for in-person tutoring on Wednesdays and to check to see when Google Meets are being held for your classes. It is very important that you attend Google Meets, complete your Canvas work, and keep in communication with your teachers. Have a great week!
