

## **700.3L GRANT FUNDING**

### **I. PURPOSE**

The purpose of grant seeking is to provide needed funding to meet the goals of District # 553. Grants, which have the potential of meeting current goals, shall be considered.

### **II. GENERAL STATEMENT OF POLICY**

Upon finding a potential grant, the reader shall bring the idea to his or her direct supervisor who shall bring the grant to the administrative team in an effort to secure support from the superintendent of schools or his or her designee. Upon procuring administrative approval, the grant may be written. Prior to being submitted to the granting source, the grant must have the superintendent's signature and that of the president of the board of education. All grants shall be shared in full with the school board at its next meeting.
