December 14, 2020

Dear Families,

Due to the recent increase of COVID-19 cases in North Wildwood and throughout the county, Margaret Mace School will be closing for in-person instruction beginning on Friday, December 18, 2020. Friday will be a professional development day for staff. Virtual instruction will start for all students on Monday, December 21, 2020. In-person instruction will resume on Monday, January 4, 2021. Students in grades 6-8 who are currently on virtual instruction will continue virtually until January 4, 2021.

New Jersey has updated the travel restrictions. If families travel to a state or territory on the NJ travel restriction list, the traveler will need to quarantine for ten days upon their return to New Jersey. If the traveler tests negative, they should quarantine for a full seven days after travel.

Students who need to pick up materials or a technology device may do so on Friday, December 18, between 12:00 and 2:30. Before picking up materials, please email Mrs. Donlan at pdonlan@mmace.com so materials can be organized before pick up.

Thank you again for your continued support. Stay safe and enjoy the holidays.

Sincerely,

Christopher Armstrong
Superintendent
North Wildwood School District
