**In continuing with our stated 2020 goals**, as I mentioned last month and communicated I would give more detail in the coming months; we're moving on to goal #2, and as a reminder: "Our 2020 goals that you, as our partners, can invest in are to continue to update equipment (which were detailed last month), increase our listening audience, locally and online and getting WBHY AM 840 streaming online."

**Our growing pains from the power increase last year caused lengthy instability for the Power88 broadcast. A stable broadcast is vitally important in our industry, as you can imagine.** A lot of people worked long hours to regain that stability. Our second priority is increasing our listening audience. We, of course, want to **grow our local listening audience with a positive Christ-centered music and message**, but another opportunity to significantly enlarge our listeners is to grow our streaming audience. You can help by letting your friends and family around the world know they can be encouraged by streaming Power88. Of our 3 radio stations, Power88 garners our largest listening audience and helps make it possible to broadcast WBHY-AM & WLPR.

**We praise God for your financial and prayerful investment** in this radio ministry. You're helping to change lives and bring about a more effective Kingdom.

In His Service & yours,

Todd Seeley
