INSPIRING ETHICAL LEADERS...ONE CHILD AT A TIME

Jamie Chapman, Superintendent

Dear Parents/Guardians:

Parent/Guardians will be able to access their child's information through our student management system, Chalkable (InformationNow) Home Portal. The following information will be available: **attendance, current grades, schedules, progress reports, and report cards.**

Complete the following steps to create a secure password for your account and to access your student's information. **To ensure that your student's information remains secure, please complete the following process immediately upon receiving this notice.**

Step 1 – Login to the Chalkable (iNOW) Portal

- Access the Pickens County Schools website: www.pickenscountyschools.net
- Go to Parent Info; Click the Link called Chalkable INow Parent Home Portal.
- Enter your child's username and generic password provided by the school.

Once you log in you will be required to change the default password. Be sure the password you create provides an ample level of security. Passwords must be at least 8 characters in length and must contain at least one number and one letter. Be sure to record your new password in a secure location. We will not keep a record of password information on file.

Step 2 – Click on the option you would like to view from the menu bar on the left side of the screen.

You should now be able to see your child's **CURRENT YEAR** schedule and other demographic information in a secure environment.

If you have more than one child in our schools and received different logins for viewing their information, you can submit a request through one child's school to have your logins combined.

If you have any questions, please contact your local school's guidance counselor's office.

Sincerely,

Jamie Chapman, Superintendent

Home Portal for INOW

Monday, November 4, the Home Portal for INOW will open for students and parents. Letters will be mailed to parents on Monday with their login and password information. Students and parents will be able to view all grade and attendance information for this school year. Report card and progress report information will be available.

All School Announcements will appear here.
