The guidelines in this handbook, district policies, and student handbook contain the procedural information describing school operations. Having an effective and efficient educational program necessitates that these guidelines serve to direct the actions of all staff members.

Addendums to this handbook will be distributed at the beginning and throughout the school year as needed and are to be considered part of this handbook, and therefore, part of the operating procedures of Taylor County Elementary School and Perry Primary School. Each employee is responsible for the material contained herein.

****The Taylor County Elementary School Faculty and Staff are responsible for the information contained in this handbook. Please become familiar with it and keep it available for ready reference. This information is based on District policies and professional expectations.***

Bulletin Boards

Bulletin boards are a great way to display student work or themes. The bulletin boards in hallways are to be shared by those nearest in the area and should be updated on a regular basis.

Classroom Appearance

Decorative, colorful environments are an inviting place to learn. Please use caution with how you attach items, and do not use adhesives (ie. tape, hot glue, staples, Velcro) that will damage paint or drywall. Painter's tape may be placed under the poster and then a small amount of hot glue or Velcro may be attached to the painter's tape. Only 50% of the wall space may be covered with items and still be in compliance with the Fire Marshall. At the end of the day, please see that students remove clutter, paper, pencils, etc. to make it easier on the custodians. Have students place their chairs on the top of their desks in order to assist the custodians in their clean up.

Classroom Management

Each teacher will implement the Classroom Management Plan that coordinates with our SCHOOL-Guidelines for Success: BE RESPECTFUL, BE RESPONSIBLE, and BE SAFE. Disruptive students will be dealt with and processed through the Classroom Management Plan and Discipline Matrix. Be sure that students' behaviors are addressed at MTSS meetings and Behavior Education Plans are developed as appropriate.

When sending a student to the Dean, please complete the referral online (within 15 minutes of incident) so that the Dean may take appropriate action of the referral and consequence process. Please send an email or text message to the Dean at your school site when a referral has been entered. **(Sally MacNeill 321-303-0158)**. The discipline matrix will be implemented as needed. **Caution: Students are not to be placed outside the classroom without supervision. Parents should be contacted by the classroom teacher before writing a referral.**

Clinic

Students need a pass to receive services in the clinic. The school nurse and/or her assistants will dispense medications as prescribed by the physician. Please discourage students who continually use this as an excuse to leave class. There is no academic instruction going on in the clinic!

Communication Folders

Each **Wednesday** the teachers will send home a two-pocketed folder with papers/notes parents need to see, sign, and return. Teachers, you are the key to this method of communication to parents. Please let this vehicle of communication enhance your classroom program and our total school program.

Comp Time

Most teachers spend much more time preparing for their students than what they are compensated for, but when Ms. Bethea requests your attendance to after school activities, compensation time will be granted. You will record and maintain a Compensation Log to be submitted for approval by Ms. Bethea. The Log will be forwarded to Donna Faircloth for payroll purposes, and she will place it back in your mailbox for future use.

Cumulative Records

During the first two weeks of school, each teacher should review the information contained in each child's cumulative record. These folders are kept in the Records Room. Please sign the cumulative records out and back in before leaving that day.

Curricula

In alignment with the District Reading Plan and the Every Student Succeed Act (ESSA), our schools utilize the following Core Curricula for the subjects listed below:

1. ELA – Journeys/Ready
2. Math –Go Math/Ready
3. Science – Inspire
4. Social Studies – Pearson My World

In addition to these core materials, the following supplemental curricula are approved for use in our classrooms:

1. Reading- iReady, Failure Free, Velocity, novel units, AR, leveled readers, BrightFish, Text Talk, Leveled Language Intervention and Study Island.
2. Math- iReady, Ascend Math, Accelerated Math, Gizmo, and Study Island.

Curriculum Meetings

Subject area-grade level meetings will be scheduled to discuss subject progress monitoring, curriculum map alignment, assessments, and instructional decisions.

Data Analysis

Teachers will utilize iReady and STAR (if they wish) data in order to complete the progress monitoring sheets for their students. Progress monitoring tests will be given three times per year. Monthly growth monitoring assessments will also be given using iReady. The results from these tests will be disaggregated, and the analysis of this data should drive all instruction that takes place in the classroom. This data will be used for instructional purposes as well as for use in each teacher's Individual Professional Development Plan.

Drug Free Schools

In accordance with Florida Statute, smoking is not permitted in the buildings or on any Taylor County School Board grounds. (Please refer to Taylor County Schools Employee Handbook)

Early Sign Out

Teachers, please discourage your parents from signing students out early. When the office notifies a teacher that a student is checking out early, please see that the student gets the proper assignments. If the child is sick, the office will notify you that the child is checking out. **DO NOT** release a child to the parent from your classroom. The child must go to the office to meet the parent. Keep them in the room until the parent is actually here.

Emergency Plans

****See Crisis Intervention Plan**

Please update emergency lesson plans and return them to Loretta Moses during the first two weeks of school so that we will have them available in the front office. Make certain the following items are easily accessible in your room:

- ✓ Lesson plans and daily schedule
- ✓ Attendance and lunch count forms
- ✓ Schedule for ESE students
- ✓ Information about special needs students (medically fragile, behavior problems, allergies, etc.)
- ✓ Your duty schedule

- ✓ Seating chart
- ✓ Emergency Plan procedures or student's name to consult

Equity Statement:

The Taylor County School Board complies with all state statutes, including statutes on veteran's preference and the Florida Education Equity Act, as well as all federal statutes, including the Americans with Disabilities Act. The Taylor County School Board does not discriminate against any applicant for employment or admission, whether student or employee, on the basis of sex, race, religion, ethnic or national origin, age, marital status, disability, or educational background of the individual. Any claim that there has been a violation, misinterpretation, or misapplication regarding any of the mentioned statutes may be processed as a grievance as herein provided, but limited to the intent of this procedure and related in no way to a negotiated contract. If a person believes there is a basis for a grievance, he or she shall discuss the alleged grievance with the site administrator. If the site administrator is the offending person, the report should be made to the next higher level of administration or supervision. If satisfactory relief is not given, a complaint may be filed with the Superintendent of Schools. Summary of the conference shall be recorded on district forms entitled "Conference Form Affirmative Action" or "School Conference Form Affirmative Action (Student Complaint)." Any applicant, employee, or student claiming to have been discriminated against because sex, race, religion, ethnic or national origin, age, marital status, disability, or educational background may file a complaint with the Superintendent of Schools, provided such complaint is filed sixty days after the initial complaint is made to the principal or administrator. Within five workdays of receipt of such complaint, the superintendent shall send the complainant written acknowledgment of the complaint, advising that it will be acted on according to procedures set forth in the complaint procedures. If any complaint alleging discrimination, the superintendent shall, within ten workdays after the complaint is received, designate a three-member panel to investigate the charges. The panel will be charged with conducting an investigation of the complainant's charges. The three member investigative panel will be organized as follows: The superintendent will appoint one member from the affirmative action advisory committee, one member will be recommended by the complainant, and the third member, who will chair the panel, will be appointed by the other two members of the panel. In no instance shall any member of the investigative panel be directly involved in the complaint or occupy a position that would represent the school board in any subsequent litigation.

Within thirty calendar days after receipt of the assignment, the investigative panel shall submit a report to the superintendent, which will include, but not be limited to, the following:

- (a) Affidavits by the complainant,
- (b) Affidavits by witnesses testifying on behalf of the complainant,
- (c) Affidavits by any witnesses testifying on behalf of the school board,
- (d) Affidavits by the school board as to the facts of the issue,
- (e) Statement of position by the school board, together with any documents in support of that position,
- (f) Records and documents gathered in evidence from the school board,
- (g) The investigative panel's summary and recommendation to the superintendent.

Within ten workdays after receipt of the investigative panel's recommendation shall make a decision to the recommendation that will be made to the school board and within twenty workdays of the panel's recommendation will be notified of the board's action by certified mail. In the event the board's decision favors the complainant, the superintendent shall affect a resolution that will provide relief for the complainant and all others similarly situated from the discriminatory practice.

The superintendent or any other officer or employee of the school system shall be prohibited from taking retaliatory action against any person involved in the discriminatory proceedings.

For discrimination issues contact: Michael Thompson, Director of Personnel, 850-838-2500, Taylor District Schools, 318 N. Clark St., Perry, Fl 32347.

Faculty Meetings

Faculty Meetings will be held as needed to give information to the entire faculty at one time. Meetings will be scheduled to follow district staff meetings.

Grade Book/Attendance

Teachers are expected to utilize the FOCUS software program, and traditional grade books are optional. Teachers will be responsible for checking attendance every morning before 8:15 am and for each class period on the FOCUS system. Attendance information will be open for parents to view as well. Teachers may record it in a grade book or print a report from FOCUS at the end of each nine weeks. Such record is a legal document which is required by Florida Statutes 1003.23. **Grades are to be entered weekly.**

Grading Protocols for Grades K-5

See Pupil Progression Plan at www.taylor.k12.fl.us

Homeroom Procedures

Each morning, attendance will be recorded on the computer in FOCUS. Email the lunchroom count of how many lunches to prepare each day.

Lesson Plans

Weekly lesson plans are to be posted on OnCourse each Sunday by 5:00 pm.

Lunch

Students will be escorted to the cafeteria by the teacher in charge and should wait with students until the staff in charge has given them directions. This will eliminate students waiting in line outside without adult supervision. Teachers will be expected to pick up students **on time** from the cafeteria.

Mailboxes

Each teacher and staff member has a mailbox located in the copy room directly behind the receptionist area. Your mail is delivered each day, so please check your box upon arrival to school, at lunch, and at the end of the day in order to facilitate the communication process. If sending a student, please have them check in with the front desk.

Medication

Information about administration of medication at school is provided in the packet sent home with students the first day of school. The school does not provide any medication for students; therefore, **parents must bring medication needed by students to the school clinic themselves.** Teachers, if a child brings any type of meds to school, please confiscate it and hand it to the nurse. She will contact the parent about this and get the proper forms completed, if necessary. Remember, **the nurse is the only person to administer medication that has been properly authorized.** It is important that teachers send all completed forms to the office as soon as you receive them from home. When you are aware that a student will be receiving meds at school, please assist the students by reminding him/her when medication is due. **If you are planning a field trip, be sure to see the nurse ahead of time for those students who will need their medication during the time of the trip.**

Money Collected

All money collected will be receipted and turned in to Mrs. Faircloth by 1:00 pm so that deposits can be made that day. Do not receipt anything less than \$5.

MTSS Multi-Tiered System of Student Support

In an effort to continue to bring continuity to our instructional program and equity to all students in the curriculum, teachers and students are grouped into Learning Teams. Each team, comprised of team teachers, should monitor student academic progress – study the student data that indicates what is working, what is not working, develop alternative strategies, and plan together as a team. The MTSS team will meet on the most struggling, Tier 3 students. If you have a student who is receiving Tier 2 services and you need more assistance, the MTSS team will assist you with this.

Parent Teacher Conferences

Frequent contact with parents is vital to the success of all students. Parent/teacher conferences serve as an excellent means of facilitating communication for the good of students. Teachers should initiate conferences in a timely manner if there is an academic or behavioral problem. Also, conferences serve as a great opportunity

to share exceptional student performance. When possible, all teachers who impact a student should attend the conference. All conferences must be documented on the school's official form and signed by all participants. Please remember to give the parents a copy as well as the parent liaison a copy. Principal will review conference forms periodically. It is important to make every attempt to schedule these conferences.

****A phone call should be made to EVERY parent during the 1st two weeks of school to begin a positive connection between the school and home.**

Professional Expectations

Our staff members have the opportunity to affect children's lives in more ways than providing educational opportunities. We must treat children with the same respect that we expect. Establishing an atmosphere of learning relies on more than just knowledge of subject matter. Please make each student feels as special as you would like to be, and set high expectations for yourself. Sarcasm, criticism, and degrading remarks only lead to more frustration and low self-esteem. Find something POSITIVE to say to each child every day. You will be surprised what it can do for them and you.

Reasonable Accommodation Provided:

Individuals with a disability needing reasonable accommodations to participate in and enjoy the benefits of services, programs, and activities of the School Board are required to notify the administrator at the school/center at which the event or service is offered, in advance, to request reasonable accommodation. To assist parents in making informed decisions regarding their child's education, please refer them to the Taylor County School District website www.taylor.k12.fl.us/parents/Exceptional Student Education section (under information for parents) for placement, least restrictive environment, diploma options, FSA Waiver Options and a list of contact organizations. **Teachers are responsible for reading all students' IEP in their class within the first weeks of school.**

Social Security Information:

In compliance with Florida Statute 119.071(5), this document serves to notify you of the purpose for the collection of your social security number by the Taylor County School District. The Taylor County School District collects and uses your social security number only if specifically authorized by law to do so or when it is imperative for the performance of its duties and responsibilities as prescribed by law. Specifically, the Taylor County School District collects your social security number for the following purposes: employment application, criminal history check (FDLE, FBI, local law enforcement agencies), Department of Homeland Security Federal I-9 form, Federal W4, W2, 1099 and other IRS documents, Federal Social Security taxes (FICA), unemployment reports (Florida Department of Revenue), Florida Retirement System documents and reports, Workers' Compensation documents and reports, Direct Deposit documents, authorizations and other documents for optional retirement programs such as 403(b) and FICA Alternative Programs, documents and reports related to Group benefits such as health, dental and life insurances, documents and reports related to supplemental deductions, documents and reports for the Florida Department of Education, Bureau of Educator Certification, Florida Department of Education, Office of Professional Practices Services and other FL-DOE departments as required, documents and reports for the Florida Department of Children and Families, Florida Department of Labor, Florida Department of Revenue and other local, state and federal agencies as required, other purposes specifically required or authorized by local, state or federal law. For additional information, please refer to page 6 of the Employee Information Handbook or to School Board Policy 7.381.

Staff Attire

Our school staff leads by example and should dress for success. Therefore, all staff should adhere to the district dress code. In an environment where children are learning to establish personal goals and look to us as role models, our attire should reflect professionalism and be in good taste. Dress on planning days or non-student days can be more casual. **Jeans are appropriate to wear on Fridays, field trip days, and planning days.**

Staff Lounge

Please take advantage of our lounge adjoining the student cafeteria for all food and drink. Please do your part to maintain an attractive, clean environment for all of us. This area is off limits to students in order to maintain privacy for our staff. Coffee pots are not allowed in classrooms.

Staff Sign-in/ Sign-out

All staff members are to sign in upon arrival to school and sign out upon leaving. The sign-in sheet will be located in the copy room. Please be sure you sign in and out at the actual time.

Statement of Nondiscrimination

The Taylor County School Board is committed to providing fair and equal educational and employment opportunity without regard to race, color, religion, national origin, age, sex, disability, or marital status. The district complies with all Federal and State laws prohibiting discrimination in education.

Student Attendance Policy

***Please refer to the recent information shared by the district regarding COVID leave and absences.**

Taylor County School Board ATTENDANCE REGULATIONS

The Legislature finds that poor academic performance is associated with nonattendance and that school districts must take an active role in promoting and enforcing attendance as a means of improving student performance. The Legislature finds that early intervention in school attendance is the most effective way of producing good attendance habits that will lead to the improvement of student learning and achievement.

Attendance procedures shall be carried out in accordance with Taylor County School Board Rule 5.02, Florida Statute 1003.26, and the Code of Student Conduct and Attendance Policies.

1. According to FS 1003.26, any student between the ages of 6 and 16 is within compulsory school attendance age requiring regular school attendance. Parents of a child within the compulsory school attendance age shall be responsible for such child's attendance as required by FS 1003.26. It is understood that ALL students will be subject to the stipulations within this attendance policy. Attendance is required of all students for at least 180 days of instruction or the equivalent as provided by law, except for absences which are excused or as otherwise provided by law.
2. Attendance is defined as the actual presence of a student at school or away from school on a school day engaged in an educational activity that constitutes a part of the school-approved instructional pupil program.

Policies Governing K- 8 Attendances

Absence is defined as the nonattendance of a student on days that school is scheduled to be in session. Any tardy/absence of 10 minutes or more from a class will result in an absence from that class. Absences may be defined as excused or unexcused in accordance with local policy.

Excused Absences

In compliance with Florida School Laws, the Taylor County School Board recognizes excused absences as those resulting from the following:

- *Absence resulting from sickness, injury, or other insurmountable conditions or participation in an approved academic program or class*
- *Participation in the observance of a religious holiday or in religious instruction*
- *Death in the immediate family of the student. (Immediate family is defined as parents, siblings, grandparents, aunts and uncles, and in some cases, other persons in the household)*
- *Pre-excused doctor or dentist appointments*
- *Pre-excused educational/field trip*
- *Insurmountable weather conditions.*

A student who misses one (1) or more periods during the school day must, within two (2) school days, bring a note from a parent or guardian stating the reasons for that absence. Excused absences are described above.

Students returning to school after an excused absence shall have a time period equal to the number of days excused or a minimum of five (5) days, whichever is greater, to make up missed work. It is the student's responsibility to make arrangements with their teachers to complete missed work. If reasonable doubt exists regarding a sickness or injury, the principal is authorized to require a statement from an accepted medical authority. Failure to comply with this requirement shall result in the absence being unexcused.

If a student fails to bring a note within two (2) school days after being absent, or if the reason is not a valid one, the student will receive an unexcused absence for the days/classes missed and the following rules will be in effect.

- The student will receive a "0" in all classes missed during the unexcused absence.
- Students with unexcused absences and determined to be truant or skipping are subject to disciplinary action.

Monitoring of Absences

As outlined in FS 1003.26, upon each unexcused absence, or absence for which the reason is unknown, the school principal, or his or her designee, shall contact the student's parent to determine the reason for the absence. If the absence is an excused absence, the school board shall provide opportunities for the student to make up assigned work, and the student will not receive an academic penalty unless the work is not made up within a reasonable time.

If a student has had at least five unexcused absences, or absences for which the reasons are unknown, within a calendar month or 10 unexcused absences, or absences for which the reasons are unknown, within a 90-calendar day period, the student's primary teacher shall report to the school principal or his/her designee that the student may be exhibiting a pattern of nonattendance.

During each semester of the school year, the following actions will take place:

The student's primary teacher(s) will make documented attempts at parent contact once the student has been identified with five unexcused absences within a 30-calendar day period. A Level 1 Truancy letter will be mailed home at this time.

Student Discipline

CLASSROOM DISCIPLINE PROCEDURE AND STEPS

Guidelines for Success:

Be Respectful

Be Responsible

Be Safe

Teachers will maintain discipline information on all their students. Teachers will document both positive behaviors and behavior infractions.

CLASSDOJO is an internet based program our schools use to track behavior and communicate with parents. Parents/Guardians can connect via computer or smartphone to follow student's behavior. Teachers, Parents, and Deans will all be connected to provide the best communication possible. Weekly behavior progress will be sent home in Wednesday folders.

Positive Dojo Points: - These points are given when a student is engaging in the activities that have been asked of them. Positive Dojo points should be given to help shape the behaviors that we want to see in our classroom and on campus.

Negative Dojo Points: – These points are to be given when a student is engaging in activities that are not conducive to learning. They have been broken down into 3 KEY AREAS of needed student improvement.

Level I Type Offenses – intervention required

- **Disruptive** - (-1) student behavior that hinders the teaching process, the learning process, the school's safety, climate, property, and well-being
- **Disrespectful** - (-1) discourteous, rude, non-verbal, disregard for authority, uncontrolled behavior, and negative performance of conduct.
- **Defiant**- (-1) when a student is boldly refusing to obey; or becomes challenging towards any staff member

Actions

1st Negative point – point lost and student behavior re-directed by teacher.

2nd Negative point – point lost and teacher notifies the parent. (phone/DOJO)

3rd Negative point – point lost, conference with Dean for intervention/timeout if needed.

4th Negative point – point lost written referral, the Dean will follow Discipline Matrix

Level II Type Offenses – no intervention required (refer to Discipline Matrix). An automatic 4 negatives will be given.

Actions – referral is to be written and the Dean will follow Discipline Matrix.

Dean’s Awards: Dean’s Awards will be given out when outstanding behavior is observed by the Dean.

Taylor County School District Discipline

To establish reasonable consistency in the schools, a uniform Discipline Code has been developed. Definitions of terms used can be found in the Glossary. Consistent with the Code of Student Conduct, the principal or designee is responsible for discipline and determines the level of the behavior and its appropriate consequence. Schools and teachers may develop individual rules and disciplinary practices which supplement the Code but do not conflict with it. It is the intent of the DSBTC that the principal or designee of each school has a reasonable degree of choice in determining the level of a student’s behavior and the resulting consequences. The factors to consider include, but are not limited to:

- * Seriousness of offense
- * Premeditation, impulse, or self-defense
- * Age and/or disability
- * Strength of evidence
- * Cooperation/remorse
- * Disciplinary history

Behaviors and their consequences are divided into five levels. Each level represents progressively more serious misbehavior and consequence. School support staff and/or community resource agencies may be involved.

Under the Individuals with Disabilities Education Act (IDEA), students who have been identified as educationally disabled and are receiving ESE services are subject to disciplinary guidelines that are different than those for non-disabled students.

Principals/ Assistant principals/ Deans have the authority to adjust punishment due to the evaluation of the circumstances surrounding the case or incident. A good faith effort to contact Parent or guardian will be made during the referral process.

Discipline for students with disabilities will be handled on an individual basis. The disciplinary decisions belong to the principal or his designee to affect all situations as afforded by law.

Due to privacy and confidentiality, parents may NOT view video evidence of inappropriate behavior(s) unless all faces of students not belonging to the viewer’s family are blurred or otherwise removed and the video has not been entered into evidence with Law Enforcement Agencies.

If any student reaches 15 referrals he/she will be referred to the Taylor County School Board for expulsion.

2020-2021 TCSD STUDENT BULLYING AND HARASSMENT POLICY

The Taylor County School System is committed to a safe and civil educational environment for all students, employees, volunteers, and patrons, free from harassment, intimidation, or bullying. "Harassment, intimidation, or bullying" means any intentional written, verbal, or physical act, including but not limited to one shown to be motivated by any characteristic in RCW 9A.36080(3), (race, color, religion, ancestry, national origin, gender, sexual orientation, or mental or physical disability), or other distinguishing characteristics, when the intentional written, verbal, or physical act:

- Physically harms a student or damages the student's property; or
- Has the effect of substantially interfering with a student's education; or
- Is so severe, persistent, or pervasive that it creates an intimidating or threatening educational environment; or
- Has the effect of substantially disrupting the orderly operation of the school.

Bullying may involve but is not limited to:

1. Teasing
2. Social Exclusion
3. Threat
4. Intimidation
5. Stalking
6. Physical violence

7. Theft
8. Sexual, religious, or racial harassment
9. Public humiliation
10. Destruction of property

Cyber stalking as defined in s. 784.048(1)(d), F.S., means to engage in a course of conduct to communicate, or to cause to be communicated, words, images, or language by or through the use of electronic mail or electronic communication, directed at a specific person, causing substantial emotional distress to that person and serving no legitimate purpose.

Nothing in this section requires the affected student to actually possess a characteristic that is a basis for the harassment, intimidation, or bullying. "Other distinguishing characteristics" can include but are not limited to: physical appearance, clothing or other apparel, socioeconomic status, gender identity, and marital status. Harassment, intimidation, or bullying can take many forms including: slurs, rumors, jokes, innuendos, demeaning comments, drawings, cartoons, pranks, gestures, physical attacks, threats, or other written, oral, or physical actions. "Intentional acts" refers to the individual's choice to engage in the act rather than the ultimate impact of the action(s).

This policy is not intended to prohibit expression of religious, philosophical, or political views, provided that the expression does not substantially disrupt the educational environment. Other inappropriate behaviors that do not rise to the level of harassment, intimidation, or bullying may still be prohibited by other district policies or building, classroom, or program rules.

This policy is a component of the district's responsibility to create and maintain a safe, civil, respectful and inclusive learning community and is to be implemented in conjunction with comprehensive training of staff and volunteers, including the education of students in partnership with families and the community. The policy is to be implemented in conjunction with the School Improvement Plan and the Code of Student Conduct that includes prevention, intervention, crisis response, recovery, and annual review. Employees, in particular, are expected to support the dignity and safety of all members of the school community.

Depending upon the frequency and severity of the conduct, intervention, counseling, correction, discipline, and/or referral to law enforcement will be used to remediate the impact on the victim and the educational environment and change the behavior of the perpetrator. This includes appropriate intervention, restoration of a positive educational environment, and support for victims and others impacted by the violation. False reports or retaliation for harassment, intimidation, or bullying also constitutes violations of this policy.

The Superintendent shall develop procedures for the implementation this policy, as well as guidelines for the prompt investigation of a report of bullying or harassment. These procedures are to implemented in full and shall represent the guidelines, actions, and responsibilities of all Taylor County School District employees, as well as our students, parents and the community.

TAYLOR COUNTY

Student Dismissal

Classroom teachers will be responsible for sending car riders to the designated area at the appointed time. **Classroom teachers will walk bus students to the loading area and remain in that area until buses are loaded.** For safety purposes, all students should be in their classrooms at dismissal time, not on the playground.

Student Passes

If a student needs to see the principal, school nurse, another teacher, secretary, office manager, etc., that student must have a pass from the teacher. Any staff member observing a student in violation of this procedure is

expected to take responsibility of dealing with that issue immediately. The pass should designate media center, office, or other destination. Students will not be allowed to “roam the campus” without supervision. Remember, the teacher’s lounge and cafeteria kitchen is off-limits to all students.

Student Planners

Students in grades 2-5 will be provided a daily planner by the school. Teachers are to ensure that daily assignments are written in the planner on a weekly basis. It is very important for teachers to utilize the planner as a means of communication with parents. This can be done by initialing daily assignments, writing notes, and encouraging parents review and sign-off as well.

Student Tardiness

Do not accept any student in the classroom after 7:55AM at TCES without a Tardy Pass. Contact the parent after three (3) tardies per student. Our Title I Parent Liaison will also make parent contact regarding the problem if she is notified by the teacher.

Substitutes

Contact the Parent Liaison (Jessica Fralix @ 850-672-9443) as soon as possible if you need a sub. You need to call between the hours of 6 a.m. and 10 p.m.

Technology Issues/Request to Add Students to Programs

If you experience technology problems, you should complete a work order online through the links on the District Webpage.

Telephone Usage

All classrooms are equipped with phones. You will only be able to place local and toll-free long distance numbers from your classroom phone. Long distance calls related to school business are permitted. If a student has an emergency need of phone use, you or our office staff should place the call to the parent and then assist the student during the call.

Cell Phones—Only use cell phones during non-student contact time unless using DOJO. Please do not use them during meetings or when you are with children.

Temporary Duty Elsewhere

You must complete a TDE form seven (7) days prior to the activity. All TDE’s will require principal approval, and some will require Board approval. The Board is hesitant to approve **any** leaves that are turned in for approval “after the fact”. According to board policy, leaves are due **prior** to the employee being off duty or on Temporary Duty. An employee may request **personal leave**; however, it should be made **at least 2 weeks in advance, if possible.**

Textbooks

Classrooms will be provided with ample textbooks for students. Teachers are responsible for managing textbook issuance and care. When issuing textbooks, teachers should write the students’ names in permanent marker in the front of the textbook. Textbook numbers should be recorded and kept on a list. If students lose a textbook, please notify the office as soon as possible.

Title I Statement:

Title I, Part A, is the largest federal educational funding program and is intended to help ensure that all children have the opportunity to obtain a high-quality education and reach proficiency on challenging state academic standards and assessments. Taylor County Elementary and Perry Primary School are school-wide Title I schools, and as such, ensures that all students receive educational services based on their identified needs.

Transportation Changes

Parents/Guardians are to call the front office for a transportation change. Calls must be made before 1:00 pm to ensure delivery to students. Parents/Guardians must provide student safety passcode to make a change.

Visitors

Usually, visitors are welcome at TCES. Unfortunately, during this unprecedented time, for the safety of our students and staff, no visitors will be allowed at this time. If a parent would like to meet with you, please arrange a phone conference first. Our district policies regarding visitors will follow the safety guidelines put in place by the CDC and the DOE.

Workday

TCES Teachers' workday is from 7:45-3:15. Please be at your door at 7:45. If you leave campus for lunch, you must sign out and sign back in upon your return. **Teachers are paid to be on duty during their planning time. Teachers must remain on campus during this time. . If you need to leave during this time you must provide leave to do so.** Teacher must make it a priority to check their email a minimum of twice per day (morning and afternoon).

Worker's Compensation

It is each employee's responsibility to implement the best safety practices possible while on school property. In the event of an accident with injury, a Workers' Comp Form must be completed and signed **immediately**. Donna Faircloth has these forms and will assist you in this process. She will also help you with the follow-up appointment information.
