The Fannin County Board of Education met in a work session with the following members present: Steve Stanley, Chair; Sandra Mercier, Vice Chair; Lewis DeWeese; Terry Bramlett and Bobby Bearden.

The meeting was called to order by Steve Stanley, Chair.

Art Hubbard, Assistant Superintendant, gave a construction update on the Blue Ridge Elementary School Computer Lab Building. Mr. Hubbard stated the interior block work is complete, the interior plumbing rough is 90% complete, the electrical rough is 80% complete, and the exterior insulation has been completed. He stated the bar joists have been installed, the roof decking installed, and the roof top unit curb is installed. The roof installation and brick work is scheduled to begin on November 10, 2015, and the interior framing is scheduled to begin on November 12, 2015.

Shannon Miller, Principal at Blue Ridge Elementary School, gave an update on school happenings. She shared a power point with the Board and gave a STEM update. Pictures were shown of the progress on the Blue Ridge Elementary School STEM lab. Mrs. Miller also shared information on the Accelerated Reader program, professional development, SPLOST highlights, and BYOD.

Mark Henson, Superintendent, reviewed the agenda for the meeting on Thursday, November 12, 2015.

There being no further business to come before the meeting, a motion was made by Bobby Bearden, seconded by Terry Bramlett, to adjourn subject to being called into special session by the Chair when deemed necessary. All members voted yes; motion carried.
