Classified Employee's Signature - Indicates agreement to terms
as outlined below

Date Requested

Building Principal's Recommendation

Date

Superintendent's Approval

Date

Terms of Agreement

When a classified employee desires to attend college for the purpose of obtaining a licensed position in the district, they MUST have the Building Principal AND the Superintendent's support for the reimbursement program. They may be reimbursed up to 9 quarter (or 6 semester) credits per year. They must be enrolled in a teacher prep program or degree program leading to a teaching/licensed position within the district. They must complete the program in 3 years. Reimbursement only occurs after a passing grade of C or better is achieved and an official transcript is received. ***The employee must work for the district for at least 3 years after obtaining license with TSPC. If employee does not fulfill the 3 year agreement and/or leaves the district, the employee will be required to repay the district the entire amount that has been reimbursed to the employee, over a period of 5 years. (Failure to make payments will result in legal action and referral to a collection agency.) The district reserves the right to stop this optional reimbursement program anytime deemed necessary and discontinue the program for any reason.***
