Click on the blue underlined links.

[NCES Family Check-In:](#) Every week we will continue to send this Family Check-In form. We want to know how you are doing during these difficult times. It is a very quick form that we will use to help in any way that we can.

[Food Box Distribution:](#) Tomorrow, from 9-noon, the Housatonic Valley FFA is organizing a Farmers to Families Food Box Distribution. Each box is free and will include fresh produce, milk, and meat. Distribution will take place at HVRHS. Hope to see you there!

[November Menus:](#) [Breakfast Menu](#) and [Lunch Menu](#). Remember that meals are free this school year. Students can order lunch each day at school. Options are also available for students who are learning from home. [Click here](#) or visit the main page of the website for more information.

[Email addresses:](#) We have learned that families with a Comcast email address are not receiving our school emails as quickly as other families. You may wish to consider creating a free email account through Gmail or Yahoo. These accounts do not seem to have the same filters used by Comcast. Know that if you do have a Comcast email account there may be a delay in receiving electronic messages from our school.

[Fun Friday at NCES:](#) A sincere thank you to *Freund's Farm Market & Bakery* for donating a bag of treats for our youngest students. They also gave us a very good price for 100 pumpkins. Special thanks also to *Laurelbrook Natural Resources* for donating and delivering 150 additional pumpkins so that every student in the school could have a pumpkin to decorate. We are so fortunate to have such caring and giving community businesses. Here are a few photos. I will paste more tonight on social media.

You can always reach me at aroy@nceschool.org or (860) 824-5149.

Stay Safe and Well,
Dr. Roy
