Development-related expenses seem disproportionately high according to perceived fundraising standards. Due to our unique model of offering free-tuition to all of our students, we depend almost entirely on our development efforts in order to cover operating expenses.

Our annual fundraising events bring in over \$600,000 in revenue and offer exposure for our organization to 1,000+ donors, which is critical due to our absence of a parent tuition base.

The role of the development department extends far beyond fundraising. At Academy Prep, development encompasses all event-planning and management, marketing and communications as well as cultivation of major and capital gifts, which require front-end investments to achieve long-term benefits. We expect to realize these benefits in future years.

Academy Prep's graduates are its best examples of the school's success in transforming the lives of young, economically disadvantaged students. Our graduates are serving as community leaders and working hard as they strive for excellence. For example, one of our students from the Academy Prep Class of 2007 attended high school at Berkeley Preparatory School and graduated from the University of Central Florida in 2015. He went on to law school at the University of Florida Levin College of Law, and worked as a summer associate in 2017 at a major law firm in Tampa. He has since passed the bar and currently practices commercial real estate law at that

prestigious law firm.

Another great example is an Academy Prep graduate from the Class of 2007 who went on to attend high school at Tampa Prep, and graduated from Agnes Scott College in Georgia in May 2015, where she majored in Philosophy and minored in Women's Studies. She stayed very busy throughout college, completing internships at Child Care Aware of America, Voices for Georgia's Children, and the League of Women Voters. She interned at the American Association of University Women in Washington, D.C. Her professional goals are to help underrepresented women and children in areas of policy and grass roots advocacy. After gaining more working experience, she hopes to return to school to study law and complete a master's in public policy.

Another one of our graduates came to us while in foster care and living in a group home. She graduated from Academy Prep in 2011, went on to Chatham Hall, a private boarding school in Chatham Virginia, on full scholarship, and is currently studying computer science at the University of Central Florida. She was accepted into a coveted and highly competitive internship program with Microsoft last summer with plans to return this year. About her Academy Prep experience she said, "Academy Prep develops community leaders by giving every child a chance to succeed and a chance to figure out what they're passionate about."

for growth. In addition to rigorous education in English, math, history, and science, all students are required to take art, chess, computer technology, music, and physical education classes weekly as important parts of their academic schedule. Over 25 enrichment activities are offered to Academy Prep students during every afternoon as part of their school day, including golf, music, choir, dance, gardening, drama, journalism, martial arts and cooking. Additionally, students spend Saturdays on field trips that include kayaking and nature exploration, visits to art, science and history museums, and community service.

Community partnerships provide positive role models in the classroom and facilitate enrichment activities that connect Academy Prep students to the dynamic and diverse Tampa Bay community. Family involvement is also an essential component in student achievement - 40 hours of volunteer service per family is required annually.

The Academy Prep model achieves outstanding results. Academy Prep students show significant improvement in academic ability through their Academy Prep years. Most enter at or less than grade level in math and reading. By graduation, 8th graders are scoring ahead of grade level in math and reading on national assessment tests. Since 2005, nearly 85% of Academy Prep graduates have attended local private or boarding prep schools and 98% of graduates have graduated from high school on time. 80% of our graduates have gone on to post-secondary education, and 9% are serving in the armed forces.

(Continued from Part III, 4.b.) and advanced public high schools. Graduate Support monitors their progress throughout their high school and college enrollments, ensuring successful transitions and outcomes.

Graduate Support's focus on current Academy Prep students is primarily on the 7th and 8th grade classes and ensuring that each student applies to, is accepted into, and receives funding for the high school best suited for the student - whether local private preparatory schools, local magnet or IB programs, or boarding schools. Graduate Support also provides the Academy Prep 8th grade class with supplemental education and training and a weekly class, which teaches students life lessons like interviewing skills, dining and dressing etiquette, time management and leadership.

Graduate Support serves Academy Prep graduates in high school and college by closely monitoring their academic progress and helping to address any challenges in their academic or personal lives to ensure that students graduate high school and matriculate into college. Graduate Support activities include staff visits to Academy Prep graduates of high school age each year, including students enrolled in boarding schools, allowing Academy Prep staff to monitor student progress, serve as mentors, and support students in their extra-curricular endeavors by attending sporting events, honor society inductions, and award and graduation ceremonies.
