PROHIBITION OF HARASSMENT

3.43

1. The Alexander City Board of Education prohibits harassment against any employee, applicant for employment, student, or student applicant based upon race, color, religion, gender, age, ethnicity, national origin, marital status, disability, political or religious beliefs, or social and family background. This policy also applies to non-employment volunteers who work subject to the control of school authorities.
1. The Superintendent shall develop procedures which shall be used by persons alleging harassment.
1. Sexual Harassment of Students – The Alexander City Board of Education desires to maintain an academic environment in which all students are treated with respect and dignity. A vital element of this atmosphere is the Board’s commitment to equal opportunities and the eradication of discriminatory practices including sexual harassment. Sexual harassment is specifically prohibited by state and federal law and instances of harassment may result in both civil and criminal liability on the part of the individual harasser as well as the Alexander City Board of Education. Sexual harassment’s destructive impact wastes human potential, demoralizes students, and perpetuates the tendency toward further unacceptable behavior. For these reasons, the Alexander City Board of Education forbids harassment against any student on the basis of gender. The Board will not tolerate harassment activity by any of its students.
1. Definition – Sexual harassment consists of unwelcome sexual advances, requests for sexual favors, and other inappropriate verbal or physical conduct of a sexual nature, wherever such harassment occurs on school property or at a school-sponsored event, that is aimed at coercing an unwilling person into a sexual relationship whether or not it involves physical contact, or that substantially interferes with a student’s academic performance, or creates an intimidating, hostile, or offensive school environment.

Examples of sexual harassment may include but are not limited to the following:

1. Verbal harassment or abuse of a sexual nature;
 2. Subtle pressure for sexual activity;

-
1. Specific Prohibition - It is sexual harassment for a student to subject another student or a school employee to any unwelcome conduct of a sexual nature on school property or at a school-sponsored event. Students who engage in such conduct shall be subject to penalties as described herein.
-
1. Procedures - Any student who alleges sexual harassment by an employee or another student should report the harassment to the building principal, assistant principal(s), guidance counselors or school system Title IX coordinator. Filing of a complaint or otherwise reporting sexual harassment will not affect the student's status, extracurricular activities, grade or any other assignments. The complaint should be in writing, state the act or acts, state the date(s), state the names of witnesses, and be signed by the complainant.

1. The right to confidentiality, both of the complainant and of the accused, will be respected, consistent with the Board's legal obligations and with the necessity to investigate allegations of misconduct and take corrective action when this conduct has occurred.

 2. In determining whether alleged conduct constitutes sexual harassment, the totality of the circumstances, nature of the conduct, and the context in which the alleged conduct occurred will be investigated. The Superintendent or designee has the responsibility of investigating and resolving complaints of sexual harassment.
