

Latisha M. McGee

CAREER SUMMARY

Teaming with fellow teachers and staff, I have focused on support of and contribution to student growth. As a special educational leader (LSC/MET chair), I have trained fellow special/general education teachers as well as working closely with the administration and the district office to communicate and facilitate the education process of all sped students in the school. I am a problem solver and my strength is building positive relationships with everyone in the education process.
