2nd Semester**

**Jan 2-8 – Stover
Tournament**

**Jan 26 – Basketball
at Stover**

**Jan 29 – Basketball
at home with
Knob Noster**

Merry Christmas to our Colleague and Friend

The school year hasn't quite been the same without Melissa Hicks in the buildings. She has been in the hearts and prayers of the school and community, and they have shown their love and appreciation of her through a variety of donations. The most recent donation came in December. Faculty and staff were offered the chance to wear jeans for a week as a fundraiser for Melissa. The number of people who pitched in was promising enough to get an extension on the deal: jeans for the whole month of December for an extra amount. Overall, the faculty and staff were able to raise \$350. We love you Melissa, and we are here for you any way you need us to be.

**Calhoun Eagles
Proudly Present...**

Spreading Christmas Cheer

With the Christmas season comes the opportunity to make the people in your life feel loved and appreciated. The faculty and staff at Calhoun R-VIII felt just that all month long. We started the month with the cafeteria decked out like a winter wonderland. Then, we received

multiple opportunities to wear jeans this month and even received some passes for future dates. We also munched on all kinds of treats and a few pizzas (special thanks to Mr. Stocks and Jason Smith). Not to waste any ounce of Christmas cheer, Stacy Rusche entertained us with Elf on the Shelf hide-and-seek, ugly Christmas sweaters, and a Christmas quiz. Mary Frintz won the Ugly Christmas Sweater Contest without a doubt! December can be stressful for schools with semester ending, but we were able to keep our spirits high. Thank you to everyone who donated and participated.

Sports Highlights

The Boys Basketball season kept the team busy in December. They opened the season with a game in Drexel; they lost 22-31 but worked hard, none the less. In the Pilot Grove Tiger Classic, they lost to Sacred Heart in the 1st round (30-86) and Tuscumbia in the 2nd round (46-55). In the first home game against Hermitage, they lost 33-48. It's been a hard fight, so far, but the boys are learning valuable lessons along the way. The next set of games will be the Stover Tournament, starting January 2.

Duensing the Science Guy

The Junior High and High School Science classes have been hard at work. They have been working on solar ovens, creating a periodic table, boiling water with a vacuum, and checking pH levels of drinking water and other substances. STEM is alive and well in these students.

Budding Artists

Mrs. Young knows how to get little ones in touch with their creative side. Employing the help of 8th Grader Taylor Fondren, Kindergarten and 1st Grade worked on designing their own candy canes. Mrs. Young

loves to see her students light up when they are wrapped up in a project. She sees so much potential, and she hopes the kids will see it in themselves as well.

Eat, Eat, Eat as Fast as You Can...

With December and Christmas comes the festive food little ones love to build with and eat: gingerbread. Preschoolers made gingerbread men in early December. They had a great time and did a fantastic job. They almost look too good to eat...
