

“Let us Lead by Serving Others”
Beta Helpers Serve Our Teachers

In an effort to give back to our school, CHS Beta Club would like to offer the services of our members as Teacher-Helpers to do a variety of classroom chores that a teacher made need done. This helps our Beta members earn service hours while helping support the learning environment of our school. Remember, all students in the building must be supervised so please don't allow them to work without you being in the room. It is also permitted for them to work during their study period if you so choose.

Thanks,
Alisa Mitchell, Lana Ray and Mike Ray
