## A MESSAGE FROM THE DIRECTOR

This report of activities for 2016-2017 was prepared by the staff to provide insight into each of the programs provided by SWAEC for our members and partners. School district personnel, school board members, area legislators, and State Department of Education personnel will be provided information on services provided to our member schools during fiscal year 2016.

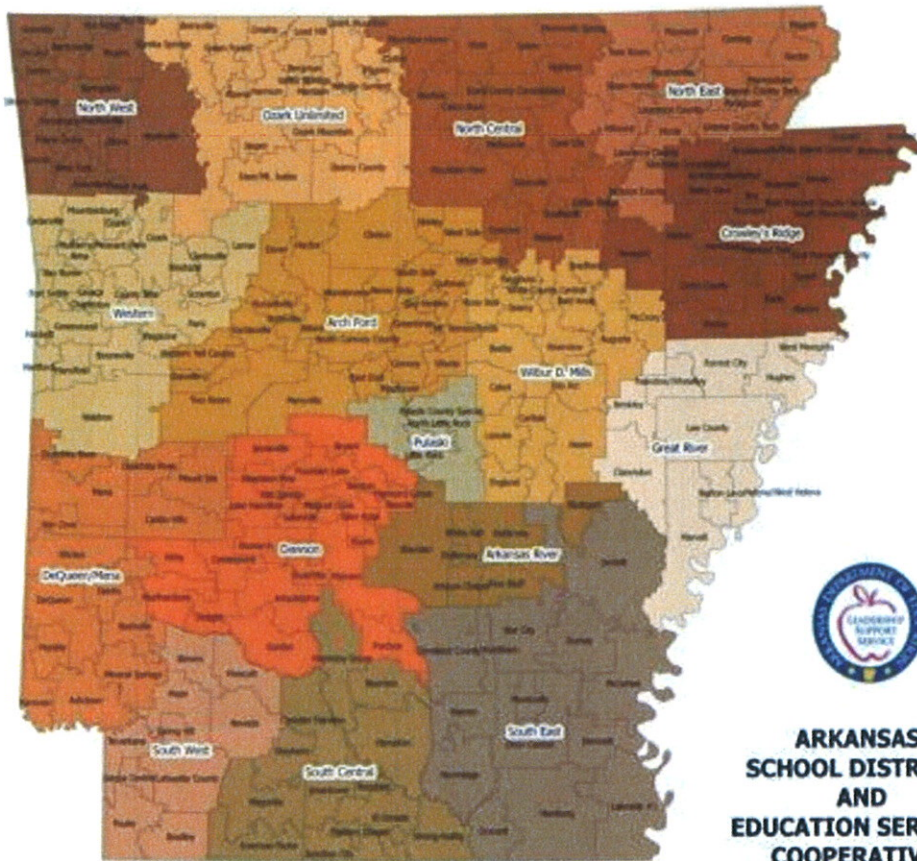

The Southwest Arkansas Education Service Cooperative (SWAEC) is made up of nine school districts in rural Southwest Arkansas. The counties we serve include Hempstead, Lafayette, Miller, and Nevada. We serve approximately 12,000 students and 1,000 public school teachers and administrators. The Co-op offices are located on the campus of the University of Arkansas Hope-Texarkana (UAHT). Our current facility opened in August 2010 through a partnership with SWAEC, UAHT, the City of Hope and the US Department of Agriculture, Rural Development Program.

SWAEC has worked to form partnerships with the Arkansas Department of Education and higher education for the purpose of benefiting our districts. Some of our services include: preschool programs for 3-5 year olds; special education services including LEA supervisor, vision and behavior support; content specialist in math, literacy, science, and technology; career and technical assistance; gifted/talented services; bulk purchasing and printing services; professional development; and early childhood behavior assistance. We are actively involved with Henderson State University, Southern Arkansas University, and UAHT. We also work with several community coalitions, such as United Way, Kiwanis and Southwest AR Arts Council, to improve education for our children in Southwest Arkansas.

We are pleased to share this annual report. The following reports and program summaries will provide insight to the vast array of programs and services provided to our member schools. We look forward to our continued partnership with our member districts as we serve students and educators in the evolving work of Pre K-12 education.

*Phoebe Bailey*

Phoebe Bailey, Director

### III. TEACHER CENTER

Please attach a list of all in-service training/staff development workshops offered through the co-op, including month offered, topic, number of districts participating, number of participants and location of workshops. Place an asterisk (\*) beside those which provided curriculum assistance. Include a cumulative total of participants. See attached form.

A. Does the co-op provide media services to schools? YES [ X ] NO [ ]

If yes, then:

Approximate the number of titles in media center: 100

Does the co-op provide delivery to the districts? YES [ X ] NO [ ]

How many districts participate in the media program? 9

How many titles (including duplicate counts) were provided to schools during this current year? 0

Do districts contribute dollars to the media services? YES [ ] NO [ X ]

If yes, then:

How are media / technology charges per district determined (formal or per ADM)?

Please describe: Not charged

Does the co-op operate a "make-and-take" center for teachers? YES [ X ] NO [ ]

If yes, then:

How many teacher visits have been made to the center?

(Count all teachers who have visited the center, using duplicate counts for teachers who have visited the center more than once. 1471)

#### IV. ADMINISTRATIVE SERVICES

Please check administrative services offered through the co-op:

Cooperative purchasing

Conduct Annual Needs Assessment /Planning assistance

Special education services

Gifted and talented assistance

Grant writing assistance

Personnel application

Assist/support with Evaluation procedures (OSR, ACSIP Monitoring, GT Program evaluation, etc.)

Migrant student Identification

Bookkeeping assistance

Technology training

Curriculum support (State Standards)

Business Management training

Computer technician

C.C.R.P.P. Administration/Collaboration

E-Rate applications

Assessment data analysis

Instructional facilitator training

Math/Science/Literacy specialists

Numerous professional development opportunities for teachers

Administrators and Local Board Members Training

## V. DIRECT SERVICES TO STUDENTS

Please check the student services provided through the co-op:

Student assessment program

Itinerant teachers -- please list areas: (ECSE)

Occupational therapy and physical therapy

Transition Assistance

Mentor programs (Ex. Foster Grandparents)

Gifted/talented programs: 9 participating districts

Digital instruction (Ex. AR iTunes U, podcasts)

Speech Pathology Services

HIPPY

Low incidence handicapped (vision/hearing)

Other (Please specify):

Early Childhood Special Education 3-5 years of age, Behavioral Intervention Consultants, Nursing Services

## VI. ANECDOTAL REPORTS

Please attach three or four descriptions of activities which demonstrate partnerships, agreements or creative ways that the co-op has assisted local districts. The co-op personnel may write the reports, or the descriptions may be written by local schools served by the co-op. These reports may also include letters sent to the co-op or evaluations of a co-op activity.

\* We had a number of teachers in the cooperative area pursuing National Board Certification. We hosted a support site that meet once a month to help support these educators in the National Board process.

\* As we serve a primarily rural population, most of the districts in SWAEC do not have grant writers. In an effort to support additional funds coming to the districts, the cooperative has partnered with CESA 6, a service agency in WI, to offer grant services. On a monthly basis, SWAEC sends out possible grants that our districts are eligible to receive. If a grant interests the districts, CESA 6 helps them write it. Also, if one of our districts has a particular item they need funded, SWAEC will contact CESA 6 and they research the opportunities in that field.

\* SWAEC has worked with the AR School Board Association to provide training specifically for the boards of SWAEC member districts as well as regional board training for districts in the southern part of the state. These meetings allow us to provide more targeted service for the needs of our area boards and allows them to save on travel as they do not have to go to Little Rock for their required hours.

## VII. EMPLOYMENT POLICIES AND PRACTICES

*Act 610 of 1999 requires that each educational service cooperative report the following information:*

### EMPLOYED

Number of new males employed by the cooperative for the 2016-2017 school year: 3

White 3  
African American  
Hispanic  
Asian  
American Indian/Alaskan Native

Number of new females employed by the cooperative for the 2016-2017 school year: 11

White 8  
African American 1  
Hispanic 2  
Asian  
American Indian/Alaskan Native

### TERMINATED

Number of males terminated by the cooperative during the 2016-2017 school year: 0

White  
African American  
Hispanic  
Asian  
American Indian/Alaskan Native

Number of females terminated by the cooperative during the 2016-2017 school year: 2

White 2  
African American  
Hispanic  
Asian  
American Indian/Alaskan Native

### SEEKING EMPLOYMENT

Number of males seeking employment by the cooperative during the 2016-2017 school year: 5

White 4  
African American  
Hispanic  
Asian 1  
American Indian/Alaskan Native

Number of females seeking employment by the cooperative during the 2016-2017 school year: 41

White 30

African American 5

Hispanic 6

Asian

American Indian/Alaskan Native

Lafayette	Nevada	Prescott	Spring Hill
Texarkana			

**Personnel:**

<u>Name</u>	<u>Position</u>	<u>Degree</u>
Connie R. Thomason	Behavior Support	ME

**Goal:**

The BSS should develop and maintain current knowledge and skills in the following areas:

- \*Evidence-based practices in behavioral and instructional areas
- \*Autism Spectrum Disorders
- \*Functional Behavioral Assessment and Behavior Intervention Plans
- \*Coaching and training adult learners
- \*Large and small group presentations and instruction
- \*Special Education laws, regulations, and procedures
- \*Current technology for communication, data collection and analysis, and reporting
- \*Current ADE major initiatives.

**Program Summary:**

Technical Assistance includes: responding to CIRCUIT referrals and requests for assistance; assist with identification and evaluation of students suspected as having autism, emotional disturbance, or other disability areas for special education; conduct file reviews, interviews and student observations to assist schools with student behavior concerns; assist districts in conducting functional behavior assessments and developing behavior intervention plans; assist in program development for students with autism spectrum disorders; monitor student behavioral progress and provide modifications as needed; provide training for staff specific to individual student needs; meet with school personnel to disseminate information and conduct trainings specific to needs of school district; assist ADE with collecting and analyzing data for State Performance Plan and the Annual Performance Report; work collaboratively with Behavior Support Specialists across the state to meet the goals and priorities of the ADE; work with other education specialists, organizations, agencies, cooperatives, and institutions of high education to support the goals and priorities of ADE; and, maintain current knowledge and skills in ABA, Autism Spectrum Disorders, Special Ed. Laws and Regulations, Data Collection, Coaching and training adults.

**Major Highlights of the Year:**

1. Established a BSS resource library that included \$7000 worth of materials for schools to "check out". Schools were provided training on "Saying No To Worksheets" and "Increasing Student Engagement: Utilizing Pre-Vocational & Transitional Task Boxes". Teachers implemented task boxes to increase instruction in the classroom and to reduce paper/pencil assignments. Throughout the school year, teachers would "check in/check out resources that included: task boxes, visual timers, and social skill activities. 2. Individualized workshops were provided to campuses that included follow up coaching. 3. Assisted State Behavior Support Specialist to research and identify modules being utilized by other states to identify areas of strength and needed growth 4. Conducted ADOS (Autism Assessment) to assist school districts identifying students on the Autism Spectrum 5. Received additional Autism training on Applied Behavior Analysis strategies and interventions 6. Assisted area school districts with interventions and FBA/BIP process, and provided individualized training/coaching to campuses. 7. Partnered with other Behavior Support Specialist to create Module Tier II Behavioral training for the Arkansas Department of Education.

**Program: Career and Technical Education**

**Funding Source: Carl D. Perkins Funding - Federal**      **Competitive Grant: Yes**      **No X**

**Restricted: X**      **Non-Restricted:**

**Participating Districts:**

Blevins	Fouke	Genoa	Hope
Lafayette	Nevada	Prescott	Spring Hill

**Personnel**

<u>Name</u>	<u>Position</u>	<u>Degree</u>
Will Harris	Career and Technical Education	BBA, Management/MSE, Ed Leadership

**Goal:**

The goal of Career and Technical Education is to carry out the guidelines of the 2006 Perkins Act. This federal funded program is for secondary and postsecondary career education programs, increased accountability and to emphasize student achievement, strengthening opportunities for students. The Perkins funding is overseen by the Arkansas Department of Career & Technical. The goal is to better prepare students for the workforce/postsecondary/, and military. Based on data gathered from the consortia, a target for the eight Perkins indicators is provided to achieve. These include proficiency on literacy and geometry exams, technical skill attainment (CTE EOC Exams/Industry Certifications), high school course completion & graduation, placement, and nontraditional participation & completion.

**Program Summary:**

The coordinator for the Southwest Arkansas Education Cooperative Perkins Consortium is required to write a five year plan and submit it to the state department. The coordinator also writes a annual Perkins application determining how to distribute/spend the funding for our area schools on the indicator projects approved by the Arkansas Department of Career & Technical Education. Start-up funds, Completers Reports, Placement Reports, technical assistance, and professional development are also planned and provided by this office.

**Major Highlights of the Year:**

Major Highlights of the Year: Through the writing of new program applications, a Construction/Technology program will be started at Genoa Central High School in the 2017-2018 school year, as well as a new Orientation to Teaching Program within the Fouke School District. A partnership was fostered between Nevada High School and UACCH for post-secondary/workforce education, and students participated in non-traditional activities such as the Girls in Agriculture event at SAU and the Healthcare Ignite Success event for Hope middle/high schools at SWAEC.

**Program: Computer Science**

**Funding Source: Arkansas Department of Education**      **Competitive Grant: Yes**      **No X**

**Restricted: X**      **Non-Restricted:**

**Participating Districts:**

Blevins	Texarkana	Fouke	Genoa
Hope	Lafayette	Nevada	Prescott
Spring Hill			

**Personnel:**

<u>Name</u>	<u>Position</u>	<u>Degree</u>
Leslie Savell	CS Specialist	Master of Science

**Goal:**

To increase statewide knowledge and implementation of computer science standards and practices through high quality professional development of the state and national standards in computer science.

**Program Summary:**

SWAEC, in partnership with Arkansas Department of Education, administers the Computer Science Program for grades K-12, established by ACT 187 for the implementation and improvement of computer science instruction throughout Arkansas. Technical assistance is provided to schools by using a variety of data to determine priorities which could include: demonstration lessons, teacher observations with pre and post conferences, improvement plans in collaboration with individual schools, consultations with the computer science instructional facilitator, computer science professional development, and curriculum development.

**Major Highlights Of The Year:**

- \* Classroom Embedded Days
- \* Curriculum Mapping
- \* CS State Initiative
- \* Robotics Competition(s)
- \* Classroom Observations

**Program: Digital Learning – Virtual Arkansas, Team Digital, Arkansas Connect2Digital**

**Funding Source: ADE Grant – Act      Competitive Grant: Yes    No X**

**Restricted: X      Nonrestricted:**

**Participating Districts:**

**Personnel:**

Virtual Arkansas Superintendent- Cathi Swan, State Coordinator of Digital Learning, BSE, MSE

Virtual Arkansas Director of Operations - Mike Lar, BS, MBA, Ed.D, ABD

Virtual Arkansas Director of Technology – Junior Stormes, BS

Virtual Arkansas Director of Academics, John Ashworth, BSE, MSE

State Coordinator Administrative Assistant, Ashley Pruitt, BA

Central Office Administrative Assistant, Alex Munn, BA

Team Digital Members – Lisa Russell, Gerard Newsom, Rachel Schell,

Evan Patrick, Sherry Kennedy, Dexter Miller

**Goals:**

The mission of the digital learning program is to provide equitable, efficient, and effective learning opportunities for students and educators. These opportunities are offered utilizing digital solutions to extend learning where local access may not exist. The Arkansas Education Service Cooperatives support and provide resources to assist Virtual Arkansas and Team Digital.

**Program Summary:**

Virtual Arkansas is an Arkansas-based program that is implemented through a partnership between the Arkansas Department of Education and the Arkansas Education Service Cooperatives. We provide an array of quality digital courses to public school students in Arkansas and utilize Arkansas licensed instructors. Virtual Arkansas serves approximately 220 districts and over 50,000 student enrollments. We are not an online high school or a diploma-granting institution but are a resource for supplementing education for public school students. Students who are enrolled in a public school may be enrolled in Virtual Arkansas courses by the local school administration.

Virtual Arkansas is committed to developing the full potential of Arkansas students by providing access to quality online courses that incorporate interactive instruction to prepare students to be successful in their college and career educational pursuits and in the global economy. School districts "Power Up with Virtual Arkansas" for a variety of reasons. A district may face a teacher shortage, want to provide additional course scheduling opportunities to their students, offer their students access to a digitally enriched curriculum, or broaden their course offerings beyond those mandated by the Standards for Accreditation of Arkansas Public Schools. Finally, districts that partner with Virtual Arkansas will be satisfying the requirements of Act 1280, the Digital Learning Act of 2013. [www.virtualarkansas.org](http://www.virtualarkansas.org)

### **Team Digital:**

Team Digital works within a state team to support the planning, implementation, and evaluation of digital learning environments in Arkansas. Team Digital has expertise in emerging online teaching and learning practices that allow for active learning; effective content authoring and lesson design methods that best serve digital education; and strategies in helping educators transform system-centered practices into student-centered practices. Team Digital interacts with media production workgroups, learning management system consultants, technology solution experts, pedagogical experts, curriculum design experts, and educators around the globe. Team Digital also provides operational support to state projects, Arkansas Cooperatives, and public schools in the growing interest in blended and online learning. [www.teamdigital.org](http://www.teamdigital.org)

### **Arkansas Connect2Digital:**

Arkansas Connect2Digital is a digital platform where Arkansas educational agencies house digital resources and implement blended professional development. It supports 20,000 users and is managed by the Arkansas Education Service Cooperatives.

### **Major Highlights of the Year:**

- \*Held Blended Learning Live! Conference for 23 districts envisioning classrooms of the future
- \*Trained ADE Units on Personalized Learning and Blended Learning
- \*Implemented an SIS for schools, facilitators, teachers, and students to track their academic progress in Virtual Arkansas courses
- \*Held statewide school envisioning meetings of Blended Learning
- \*Trained over a 150 High School counselor's around the state on Virtual Arkansas' registration process
- \*Attended the 2016 INACOL conference on Blended Online Learning
- \*Successfully implemented team visits to Virtual Arkansas' participating schools
- \*Named resource affiliate for ADE on school waiver process
- \*Shared information at numerous state-wide conferences
- \*Coordinated and trained ADE and ESCs on ZOOM webinar options
- \*Scheduled and supported over 50 state-wide webinars
- \*Virtual Arkansas teachers and students earned state-wide recognition for their pursuits (Arkansas English Teacher of the Year, Innovative New Art Partnership, Skills USA awards, Economic Arkansas awards, etc.)
- \*Implemented Computer Science course opportunities to Arkansas schools, per Governor's Initiative
- \*Created a computer science survey for students to gauge their level of course best suited for them
- \*Created multiple online modules for ADE implementation of blended learning professional development
- \*Participated in intensive strategic planning to ensure support and goal-setting aligns with ADE and Cooperative missions
- \*Trained schools on state data systems on behalf of ADE Research and Technology
- \*Piloted American Sign Language course for students
- \*Worked with the Buffalo River Federal Committee to develop science modules
- \*Created and designed home-grown blended learning professional development to offer to Arkansas educators
- \*Added a flex-pace pathway for schools with a seat-time waiver
- \*Offered daily support to schools in the implementation of Act 1280: Digital Learning Requirement

**Goal:**

\* Continuing to develop and administer programs to locate, identify,

and evaluate three to five year old children suspected to be developmentally delayed.

- \* Maintaining current information and liaison with other public and private agencies and individuals who provide services to this age population.
- \* Through the Local Interagency Council (ICC) and Southwest Bridge Building Committee collaboration of needs for the southwest are determined.
- \* Continuing to develop and administer in-service training for personnel engaged in providing services to the developmentally delayed population, which include Daycares, Arkansas Better Chance (ABC), Head Start, and Day Service Centers in the area.
- \* The purpose of the Behavior Interventionist position is to provide behavior support plans and intervention for students (ages 3-5) with severe behavior in all cooperative districts.

**Program Summary:**

The 3-5 Early Childhood Program takes responsibility for coordinating efforts within the region to develop and establish programs providing special education and related services to identified preschool aged children (3-5 years) with developmental delays. Collaborates in planning with the LEA's and superintendents in their districts for implementing activities to ensure the identification of eligible children. Provides services to such children in accordance with individual educational plans developed for children with the least restrictive environment being the primary concern. Early Childhood Behavior services are available through the cooperative. Behavior referral procedures are in place at the Southwest Arkansas Education Cooperative through the Arkansas Department of Education ECSpEC website. The Behavior Interventionist has a number of specific duties listed below:

- Works with parents and agencies when necessary
- Writing behavior plans, performing observations, assessments and referrals
- Facilitate manifestation determination conferences
- Collaborate with mental health providers
- Conduct parent/teacher consultations
- Assist with the management of due process, crisis intervention, identification, etc.
- Assist with the management process related to autistic children
- Conduct in-service and staff training

For the 2016-2017 year, the Southwest Arkansas Education Cooperative Early Childhood 3-5 Program has the following data:

December 1 Count: 314

- Screened - 60 passed developmental screen
- Transition - 75 needing special education services
- Dismissed - 114 not needing special education services
- Behavior Referrals - 57
- Returning -116 for the 2017-2018 school year

**Program: Early Childhood Autism Team**

**Personnel:**

<u>Name</u>	<u>Position</u>	<u>Degree</u>
Callie Gilbey	Speech Pathologist	M.S.E. CCC/SLP
Eva Wood	EC Instructor	M.S.E.
Becky Butler	Speech Pathologist	M.S. CCC/SLP
Angie Bobo	EC Behavior Specialist	B.S.E., M.S. Psychology

**Goal:**

The goal is to provide a resource for assessment and identification of children in 3-5 year old programs who meet criteria for the state and federal definition of autism spectrum disorder and to assist in the development of educational and behavioral strategies that will offer students a greater opportunity for success in the classroom and community environment.

**Program Summary:**

The Early Childhood Autism Team (A Team) consists of 2 speech language pathologists, a special education instructor and a behavior specialist. The use of a multidisciplinary approach in the educational diagnosis of autism provides additional validity to the eligibility determination process and provides information from an extended range of perspectives. Determining the qualification of a student under the definition of autism requires information relating to medical, psychological, educational and social characteristics of the student, as well as, information regarding the school environment. Students are referred for assessment by parents, classroom teachers, and physicians. A screening instrument, based on the Diagnostic and Statistical Manual of Mental Disorders, Fifth Edition (DSM-V), is completed by the classroom teacher, parent, and at least one member of the team. If the child meets criteria from the screening, specialized evaluation is warranted and scheduled. The team assesses students referred for specialized evaluation, interprets available data and subjective information and uses professional knowledge and judgment to determine eligibility. This specialized assessment uses the Battelle Developmental Inventory II and the Vineland Adaptive Behavior Scales to assess developmental and adaptive skills. The Transdisciplinary Play-Based Assessment-2 uses play to assess cognition, sensorimotor, communication, and social emotional skills. The Preschool Language Scale assesses both receptive and expressive language and the family completes an extensive family and social history. The Autism Diagnostic Observation Schedule-2 (ADOS-2) is used to assess the number and severity of autism related signs and symptoms. Team members perform extensive observation of the child in the natural setting and classroom environment. Additional scales and assessments are given depending upon individual needs. All assessments are recorded for further reference and a typical specialized assessment takes approximately 12 hours per student. The team also provides support during the evaluation programming conference by presenting and explaining all evaluation results.

Data for 2016-2017: 8 children were referred and assessed. Of the eight, three children met the criteria for autism spectrum disorder.

**Program: Psycho-Education Examiner**

**Funding Source: District Allocations**

**Restricted**    Yes [  ]    No [  ]

**Participating Districts:**

Spring Hill	Prescott	Lafayette
Hope	Nevada	Genoa
Blevins	Fouke	

**Personnel:**

<u>Name</u>	<u>Position</u>	<u>Degree</u>
Letha Duke	Educational Examiner	MSE

**Goal:**

Provide participating districts with timely, accurate, reliable, and valid special education evaluations and consultation.

**Program Summary:**

The evaluation process aids in identifying a disability, adverse effect on education, and the need for special education and related services.

**Major Program Highlights:**

The examiner completed 165 psycho-educational evaluations during the 2016-17 school year. All compliance areas were met. Reports were completed and distributed in a timely a manner. Mrs. Duke also provided staff support and technical assistance to all districts.

**Program: Educational Services for the Visually Impaired**

**Funding Source: AR Department of Education, SPED Unit      Competitive Grant: No      No X**

**Restricted: X      Non-Restricted:**

**Personnel:**

<u>Name</u>	<u>Position</u>	<u>Degree</u>
Melanie Birthright	TVI/COMS, Ed. Vision	MSE

**Goal:**

To provide consultation, direct and support services to students who are blind or visually impaired, to their parents and to the school, center and related staff.

**Program Description:**

The SWAEC Vision Consultant serves a large portion of South Arkansas to provide assessments, consultations and recommendations for adaptations and modifications to meet the needs of students who are blind or visually impaired ages 3 through 21 in an educational program. The ESVI Consultant also loans adaptive equipment to students in school districts and provides large print/braille textbooks through our Instructional Resource Center. Consultation, assessment, recommendations and instruction in the area of orientation and mobility is provided in the school and local communities. In addition, professional development opportunities are offered to parents, teachers and related staff. The served by SWAEC Vision Consultant are: Chicot, Drew, Ashley, Bradley, Union, Quachita, Columbia, Nevada, Lafayette, Miller, Hempstead, Pike, Howard, Sevier, and Little River.

**Major Highlights:**

During the year 2016-17, the ESVI consultant continued to be housed at the SWAEC. This enables continued communication between member districts, SWAEC, and LEA staff serving special needs populations, 504 students, and regular education students. The ESVI consultant provided training to districts, and attended numerous trainings to gain information and knowledge in skilled area. This included attending conferences and workshops, such as; the Transition Resources for Students who are Visually Impaired, Special Education Collaborative Coalition, Arkansas Orientation and Mobility Conference (which allowed the attainment of ACVREP credit hours to maintain Orientation and Mobility Certification), LEA Academy and Schools Without Walls Technology Conference.

**Program: Gifted and Talented**

**Funding Source: ADE**

**Competitive Grant: Yes No X**

**Restricted: Non-Restricted: X**

**Participating Districts:**

Blevins	Texarkana	Fouke	Genoa
Hope	Lafayette	Nevada	Prescott
Spring Hill			

**Personnel:**

<u>Name</u>	<u>Position</u>	<u>Degree</u>
Dana Ray	G/T specialist	BSE & Master in Education

**Goal:**

Serve as a liaison between ADE, Office of Gifted and Talented and Advanced Placement, district gifted/talented program coordinators, and parent and professional organizations. Provide technical assistance to meet the State Standards for Gifted and Talented Education and Advanced Placement. Promote gifted education through public awareness and advocacy.

**Program Summary:**

Technical assistance included: guiding GT Coordinators in the writing of the program application, pre-monitoring in preparation for monitoring of the program, and updating policies and procedures necessary for compliance. Hosted regular GT Advisory Council meetings to disseminate ADE updates, current trends and issues in gifted education, discuss practices and procedures for program compliance, share ideas and student activities events and dates, and keep abreast of the activities of the professional organizations for gifted and talented (Arkansans for Gifted and Talented Education and Arkansas Administrators of Gifted Education Association). Assisted member schools with various student activities such as Quiz Bowl, Destination Imagination, Student Project Showcase and Chess. Provided professional development opportunities, including: Pre-AP Strategies and Syllabus Writing, Curriculum Differentiation, Extending Student Thinking, Student Diversity, GT Scope and Sequence, Assessment for Identifying Gifted/Talented, and Whole Group Enrichment.

**Program: Home Instruction for Parents of Preschool Youngsters (HIPPY)**

**Funding Source: Arkansas Better Chance** **Competitive Grant: Yes X No**

**Restricted:** **Non-Restricted: X**

**Participating Districts:**

Counties: Hempstead, Miller, Lafayette, Nevada

Blevins	Fouke	Genoa
Hope	Nevada	Prescott
Spring Hill	Texarkana	Lafayette

**Personnel:**

<u>Name</u>	<u>Position</u>	<u>Degree</u>
Evelyn Page	Coordinator	MSE
Tephania Johnson	Home Educator	CDA - AA
Billie Blakely	Home Educator	CDA
Manuela Amaya	Home Educator	CDA
Hazel Smith	Home Educator	BS/Sociology minor
Ashley Noble	Home Educator	CDA

**Goal:**

HIPPY is a family focused program that helps parents to provide educational enrichment for their preschool children. The goal of HIPPY is to empower parents with the skills, tools, and confidence necessary to work with their children in the home. Parents will view themselves as their child's primary teacher and understand the critical role they play in their child's Education.

**Program Summary:**

HIPPY ( Home Instruction for Parents of Preschool Youngsters) is a home based school readiness program for families of 3,4, and some 5 year olds. HIPPY staff consists of trained a Coordinator and Home Based Educators. Parents receive weekly curriculum along with books and supplies for thirty weeks. Home Based Educators deliver every week the curriculum to the home and role play the activities with the parent. The parent teaches the curriculum to their child. HIPPY serves families from all ethnic and racial groups. We have served 70 HIPPY/and 19 ABC families for the 2016-17 program year. The staff administered the Brigance Developmental screening and assessment to each child and the pre and post HIPPY involvement parent survey to each parent. The staff is involved in collecting and documenting information on each child for the purpose of entering data into the State data system COPA ( Child Outcomes Planning and Assessment.) We received a successful audit from HIPPY Arkansas and Arkansas Better Chance with compliance in all program areas for the 2016-17 year.

**Program: Literacy**

**Funding Source: Arkansas Department of Education**      **Competitive Grant: Yes**      **No X**

**Restricted: X**      **Non-Restricted:**

**Participating Districts:**

Blevins	Fouke	Genoa	Hope
Lafayette	Nevada	Prescott	Spring Hill
Texarkana			

**Personnel:**

<u>Name</u>	<u>Position</u>	<u>Degree</u>
Karen Harris	Literacy Specialist	Masters in Curriculum & Instruction
Kelly Cornelius	Literacy Specialist	Masters in Curriculum & Instruction
Mary Berry	Literacy Specialist	Masters in the Art of Teaching
Connie Echols	Literacy Specialist	Masters in Education

**Goal:**

- \*To enhance teacher awareness and implementation of current best practices through high quality professional development
- \*To meet the needs of students through integrated assessment and responsive instruction
- \*To ensure that all students are meeting the state and national standards in literacy

**Program Summary:**

- \*Dyslexia Support: Technical assistance is provided to schools to meet Act 1268 of 2015. Instructional support focusing on assessments, interventions and identification of students who qualify to receive dyslexia services.
- \*Implementing a Comprehensive Literacy Framework (ICLF) Grades K-8 is training which identifies the critical components of a comprehensive literacy system, focuses on the unique instructional needs of the learner as related to literacy acquisition, explores setting the context for learning through instructional approaches that meet the needs of the learner, and provides the purposes and types of literacy assessments that when used appropriately will guide instructional decisions.
- \*The Literacy Design Collaborative (LDC) provides professional learning through the process of LDC Design Thinking. Teachers and instructional coaches develop and refine the ability to design content-specific instruction for learning in any content. The LDC Design System strengthens teacher competencies iterate to improving student outcomes and identifies and responds to problems of practice in rigor, instruction, and alignment. LDC equips teachers in refining reflective practices

**Major Highlights of the Year:**

- |                                      |                              |
|--------------------------------------|------------------------------|
| *Dyslexia support and interventions  | *RTI Support                 |
| *Classroom Walk-Throughs             | *Classroom Observations      |
| *District/Campus Leadership Meetings | *Data Analysis               |
| *Lesson Planning Support             | *Curriculum Alignment        |
| *Model Lessons for teachers          | *DIBELS training and support |

**Program: Mathematics**

**Funding Source: Arkansas Department of Education      Competitive Grant: Yes      No X**

**Restricted: X      Non-Restricted:**

**Participating Districts:**

Blevins	Texarkana	Fouke	Genoa
Hope	Lafayette	Nevada	Prescott
Spring Hill			

**Personnel:**

<u>Name</u>	<u>Position</u>	<u>Degree</u>
Deborah Propps	Math Specialist	Masters of Education

**Goal:**

To increase teacher knowledge and implementation of research based best practices through high quality professional development the state and national standards in math.

**Program Summary:**

SWAEC, in partnership with Arkansas Department of Education, administers the Mathematics Program for grades K-12, established by ACT 1392 of 1999 for the improvement of mathematics instruction throughout Arkansas. Technical assistance is provided to schools by using a variety of data to determine math priorities which could include: demonstration lessons, teacher observations with pre and post conferences, updating improvement plans in collaboration with individual schools, consultations with the math instructional facilitator, math professional development, and curriculum development.

**Major Highlights Of The Year:**

- \* Cognitively Guided Instruction (CGI) Level 1
- \* Classroom Embedded Days
- \* Demonstration Lessons for teachers
- \* Classroom Walk-Throughs
- \* Curriculum Alignment
- \* Classroom Observations
- \* Lesson Planning Support
- \* RTI support
- \* Curriculum Mapping
- \* MDC State Initiative
- \* Data Analysis
- \* District and Campus Leadership Team Meetings

**Program: Novice Teacher Mentoring Program**

**Funding Source: ADE Grant Competitive Grant:      Yes                  No X**

**Restricted: X Non-Restricted:**

**Participating Districts:**

Blevins	Fouke	Genoa	Hope
Lafayette	Nevada	Prescott	Spring Hill
Texarkana			

**Personnel:**

<u>Name</u>	<u>Position</u>	<u>Degree</u>
Monica Morris	Teacher Center Coordinator	MSE
Dana Ray	GT Specialist	MSE

**Program Summary:**

The Novice Teacher Mentoring Program is designed to provide a novice teacher the support, assistance, and encouragement of a site-based, trained mentor in order for the novice teacher to learn the skills he or she needs to become an effective, knowledgeable teacher. District project directors were encouraged to share the mentor/novice teacher update video with previously trained mentors and novice teachers. The ADE provided electronic resources such as: the Mentor Notebook, Mentor/Novice Teacher Update Video and the Project Director Update Training Video in lieu of face to face trainings. New mentors were trained in the updated Novice Teacher Mentoring Program.

Southwest Arkansas Education Cooperative provided 3 sessions in the Novice Teacher Mentor Program.

**Goals:**

- Become familiar with the Framework for Teaching (FFT) and the relationship between Novice Teacher Mentoring Program and TESS (Teacher Effectiveness Support System)
- Use the Orientation Guide
- Know and be able to implement mentor responsibilities
- Navigate a mentoring module in Moodle
- Identify effective coaching techniques for use in the mentoring process

The cooperative provided districts ongoing support as needed.

**Program: Nurses Connecting Health and Education**

**Funding Source: Arkansas Department of Health**

**Participating Counties:**

Hempstead      Miller      Lafayette      Nevada

**Personnel:**

<u>Name</u>	<u>Position</u>	<u>Degree</u>
Edith Greenwood	Community Health Nurse Specialist	RN, BSN

**Goal:**

- \*Provides technical assistance to Southwest Arkansas Education Cooperative region's schools for implementation of School Based Tobacco Prevention Project and Act 1220
- \*Acts as a liaison between schools, community coalitions, and health care providers to keep informed of public health policies
- \*Participates in data collection and evaluation of Best Practices Programs
- \*Shares information from state School-Nurse Consultant with school nurses
- \*Identifies, provides, and evaluates training needs of school-nurses on up to date school health policies and issues
- \*Provides, participates, and links resources for school and community-based health and wellness trainings
- \*Research and design literature to support school/community health development
- \*Serves on work groups, special projects and committees as needed
- \*Serves as an advocate for school health needs

**Program Summary:**

The Community Health Nurse Specialist is employed by Arkansas Department of Health and functions in a collaborative role with Southwest Arkansas Education Cooperative. Technical assistance is provided to the region's school district nurses and community coalitions through education and policy guidance and school health advocacy, with special focus on Best Practices for Nutrition, Physical Activity, and No-Tobacco.

**Program: Professional Development**

**Funding Source: Base and District Support** Competitive Grant: Yes **No X**

**Restricted:** Non-Restricted: X

**Participating Districts:**

Blevins	Fouke	Genoa	Hope	
Lafayette	Nevada	Prescott	Spring Hill	Texarkana

**Personnel:**

<u>Name</u>	<u>Position</u>	<u>Degree</u>
Monica Morris	Teacher Center Coordinator	MSE
Darlene Estes	Professional Development Clerk	HSD

**Goal:**

Our goal, through these programs, is to provide quality professional development training, primarily in the thirteen critical areas, as outlined by the Arkansas Department of Education. The focus is to assist area schools in meeting the needs of their individual School Improvement Plans and to improve student achievement. These training sessions are funded through our Professional Development Consortium (PDC), in which 8 out of 9 districts participate. Participating districts contribute \$100 per certified staff member to the consortium. This funding helps support training sessions that cover a variety of related topics for which teachers and/or administrators have expressed a need. These funds are also instrumental in supporting several state initiatives, such as Common Core State Standards and Teacher Evaluation. Districts not participating pay a per session fee.

**Program Summary:**

The Teacher Center Coordinator has a primary responsibility for planning and carrying out the Professional Development Program for member districts. The professional development programs are, in part, identified by the Teacher Center Committee as a priority among member districts. A wide variety of workshops and seminars are provided for teachers and administrators throughout the year utilizing the expertise of regional, state and national consultants to train school personnel to help them develop both professionally and personally. SWAEC is in collaboration with the ADE as a training site for the Arkansas Novice Teacher Mentoring program. The SWAEC has Novice Teacher Mentoring Trainers in-house to assist area districts with their mentoring programs. Collaboration with the ADE and other agencies exists to provide professional development for specific groups such as: Special Education Teachers, Limited English Proficiency Teachers, Federal Coordinators, Gifted and Talented Teachers, Food Services, and Migrant Educators. Technology is supported through a variety of training sessions here at the Co-op and at the school sites.

**Major Highlights of the Year:**

\*Novice Teacher Mentoring training, \*Administrators' Summer Institute, \*School Board Member Training, Teacher Evaluation training. A separate PD activities report is included.

**Program: Science**

**Funding Source: Arkansas Department of Education**      **Competitive Grant: Yes**      **No X**

**Restricted: X**      **Non-Restricted:**

**Participating Districts:**

Blevins	Texarkana	Fouke	Genoa
Hope	Lafayette	Nevada	Prescott
Spring Hill			

**Personnel:**

<u>Name</u>	<u>Position</u>	<u>Degree</u>
Terri Kennedy	K-12 Science Specialist	Masters of Science in Education

**Goal:**

The goal of the Science Specialist is to provide ongoing support for adult learning in best practices. This support includes raising awareness of new standards and frameworks and providing implementation tools and techniques to achieve success.

**Program Summary:**

The office of the Science Specialist supports schools, teachers, and administrators by providing quality professional learning opportunities, and ongoing site based support in instruction, leadership, and best practices. Instructional support such as shift in instruction needed for the new Arkansas Science Standards, High Yield Strategies, lesson planning and teaching incorporating higher levels of DOK activities and questioning were introduced onsite, while linking both the Arkansas standards for both literacy and math.

**Major Highlights Of The Year:**

- \*Preparing Teachers and Schools for the Implementation of New Arkansas Science Standards (K-4 in 2016-17, Gr 5-8 in 2017-18, Gr 9-12 in 2018-19)
  - Science and Engineering Practices
  - Disciplinary Core Ideas
  - Crosscutting Concepts
- \*Science Notebooking
- \*Science, Literacy, and Math Integration (in both GPS and Picture-Perfect Science training)
- \*Engineering Lessons
- \*STEM Curriculum Conversations
- \*Unit Planning
- \*Modeled Lessons
- \*Lesson Development
- \*Joint-Presentation of 3 Science Sessions at the Arkansas Curriculum Conference
- \*Development of 2-day and 3-day Science Conferences for Elem, MS, and HS
- \*Developing lessons for understanding the need for varied levels of DOK in teaching
- \*Introducing the new Computer Science Standards
- \*First Gr 3-4 STEM War Competition

**Program: Special Education Consortium**

**Funding Source: Consortium districts** **Competitive Grant: Yes** **No X**

**Restricted: X** **Non-Restricted:**

**Participating Districts:**

Blevins	Nevada	Fouke	Genoa
Lafayette	Spring Hill		

**Personnel:**

<u>Name</u>	<u>Position</u>	<u>Degree</u>
Angela Winfield	LEA Supervisor	MSE
Donna Carroza	LEA Purchase Service	MSE
Sherry Faust	Due Process Coordinator	HSD

**Goal:**

To supervise, plan, and maintain compliance of the special education services for the districts assigned.

**Program Summary:**

Special Education Supervisor provides services to cooperating districts in all areas relating to special education. Services to regular education include: advisory assistance to regular classroom teachers, suggestions for modifications and/or accommodations of regular classes for students w/ disabilities, and professional development. Services to special education include: conducting due process/parent conferences, technical assistance in due process, testing services, instructional assistance with programs for students with disabilities including materials and methods selection and professional development. Services to district administrators include: budget preparation, amendments and reports, development of new programs, assistance with technical issues in due process, coordination of psych testing; interagency resources advisement, preparation for ADE monitoring, and various types of professional development training

**Major Program Highlights:**

Districts provided necessary programs and procedures to ensure the needs of students are being met. Professional development in areas of disability, special education law, assessment, paperwork and others were offered. Procedures for Child Find are also in place and in compliance.

**Program: Teacher Center**

**Funding Source: Base Funds** **Competitive Grant: Yes** **No X**

**Restricted:** **Non-Restricted: X**

**Participating Districts:**

Lafayette	Fouke	Nevada	Hope
Blevins	Genoa	Prescott	
Spring Hill	Texarkana		

**Personnel:**

<u>Name</u>	<u>Position</u>	<u>Degree</u>
Monica Morris	Teacher Center Coordinator	MSE
Monica Holston	Teacher Center Clerk	Associates
Taylor Jester	Teacher Center Clerk	Associates

**Goal:**

The purpose of the Teacher Center is to provide services to our schools in three basic areas: staff development, curriculum development assistance and educational materials. We meet those goals in a number of ways in both the Teacher Center and other areas of the Co-op. The Teacher Center Advisory Committee works closely with the Teacher Center staff and the Co-op Board of Directors. This open channel of communication assures that we continue to understand and meet the need of educators we serve.

**Program Summary:**

The SWAEC Teacher Center provides a place for teachers, paraprofessionals, and administrators of all member districts to work on instructional materials, develop curriculum, and obtain instructional and media materials to meet the needs of their classroom. The instructional materials have been developed to coordinate with the Arkansas Standards. Instructional resources are available for teachers to use in the classroom. The primary focus of the instructional material is reading, math and language arts; however we do have materials available for other subject areas. Technical assistance is available for educators from laminating and supplies to curriculum designed to meet a specific need. One of the most popular services of the Teacher Center is the Ellison lettering machines and the numerous dies available for use. During the school year, the SWAEC makes Ellison cuts available to school through six Ellison kits that travel to different buildings. Additionally, the Teacher Center provides teachers and administrators the use of a banner/poster maker, a binding machine, two laminators and copiers. Teachers use the Teacher Center on a regular basis for help and assistance through personal visits, phone calls, and school visits through the delivery system. The center serves preschools and daycares, in addition to, our member school districts. There are approximately 35 preschools and day cares that use the SWAEC Teacher Center services on a regular basis. Students from UAHT, Texas A&M-Texarkana and Henderson regularly use the SWAEC Teacher Center services. Private schools in the SWAEC service area also use the Teacher Center.

Lafayette	Nevada	Prescott	Spring Hill	Texarkana

**Personnel:**

<u>Name</u>	<u>Position</u>	<u>Degree</u>
David Henderson	Technology Coordinator	Masters of Liberal Arts

**Goal:**

Provide quality technology support for the cooperative and for member school districts.

**Program Summary:**

- \*Support districts in their efforts to provide quality technology for teaching and learning.
  - \*Support districts with various aspects of assessment testing including: technical support for infrastructure trials, support during the live testing of students
  - \*Coordinate with districts to increase awareness of and participation in VirtualArkansas, Bloomboard, StudentGPS, E-rate and other state initiatives.
  - \*Provide quality professional development.
  - \*Provide ongoing support to the cooperative in terms of professional development, network administration, hardware/software troubleshooting, etc.
  - \*Provide ArkansasIDEAS information and STIN lookups during workshops and throughout the year as needed/requested.
- Decommissioned (2) old servers. Consolidated services to different servers.
- \*Host meetings with area techs.
  - \*Meet with other state coordinators, superintendents, teachers, etc.

Southwest Arkansas  
Education Cooperative  
2016-2017

*Special Projects*

## **SPECIAL PROJECTS AND PROGRAMS**

Detailed below are special projects or programs in which state funding provided services regionally or statewide, giving this cooperative an opportunity to participate.

FUNDING SOURCE: Arkansas Department of Education    RESTRICTED

### **Program Name: CGI-Cognitively Guided Instruction**

Competitive Grant    No

Cognitively Guided Instruction (CGI) is a teacher professional development program that has teachers exploring a framework for how elementary school children learn concepts of number operations and early algebra. This knowledge is used to drive instruction. Years 2 & 3 of training builds upon the previous year's training—resulting in a true, long-term sustained professional development program. What teachers learn in a CGI institute enhances how they implement any curriculum or resource materials into their daily classroom instruction.

### **Program Name: Teacher Excellence Support System (TESS)**

Competitive Grant    No

Goals and Description: The Framework for Teaching by Charlotte Danielson provides the foundation for the Arkansas Teacher Excellence and Support System (TESS). Southwest Arkansas Education Cooperative held the three hours Law and Process training(s). The Arkansas Department of Education provided training at each co-op for districts that opted in for premium services. Southwest Arkansas Education Cooperative scheduled additional sessions to extend the learning and support administrators and teachers as they continue to implement TESS as the teacher evaluation system in the 2016-17 school year.

### **Program Name: Arkansas Leadership Excellence and Development System (LEADS)**

Competitive Grant    No

The Interstate School Leaders Licensure Consortium (ISLLC) Standards provide the basis for the Arkansas evaluation and support system for all Arkansas administrators except superintendents (for whom an evaluation system is currently being piloted). Trainings for the LEADS program throughout the 2015-2016 school year included work with the rubric, summative evaluations of principals, assistant principals, and other administrators, use of Bloomboard for evaluation and artifacts, and other support, as needed in individual cooperatives.

### **Program Name: Literacy Design Collaborative/Mathematics Design Collaborative (LDC/MDC)**

Competitive Grant:    No

The LDC/MDC is an on-going professional development process which consists of tasks aligned to the Common Core State Standards that target those skills needed in reading, writing, and mathematics. Formative assessment is used as a tool for monitoring what students are learning and identifying misunderstanding or skill weaknesses in students. These tasks work together to provide robust learning opportunities for students that are evaluated with a scoring rubric that helps educators across our state and nation calibrate high expectations. The LDC/MDC work is implemented in literacy, social studies/history, mathematics, science and career education classes for students in grades 9 and 10.

**Program Name: ACT Aspire**

Competitive Grant No

**Goals and Description:**

Southwest Arkansas Education Cooperative technology coordinator and staff have provided support to district testing and technology personnel as preparations were made for the initial implementation of ACT Aspire in the spring of 2016. Support included onsite visits within districts to aid in preparing technology infrastructure, providing multiple training opportunities for ACT Aspire updates, and hosting ACT Aspire workdays to help with data entry and test scheduling. Additionally, cooperative technology coordinator provided ongoing assistance through emails and phone conversations as problems and questions arose in districts.

The Southwest Arkansas Education Cooperative also provided support to classroom teachers and instructional leaders to ensure Arkansas content standards were taught in a manner that would prepare students for the ACT Aspire. In addition to ADE presenters, cooperative content specialists provided face-to-face trainings on ACT Aspire resources and their use in strengthening the classroom teachers' understanding of assessment requirements for students. Trainings will continue during the summer of 2017 and the upcoming school year.
