## Responsibility

**MAKE UP WORK:** Students are responsible for keeping up with any missed work due to absences. I will have all necessary documents labeled and ready in our make up filing system.

## Goals

My goal for OUR class is that we will all grow in our ability to solve problems, work together, persevere through challenges, and think creatively! You are all CAPABLE!

## Units of Study

- SCALE DRAWINGS
- PROPORTIONAL RELATIONSHIPS
  - MEASURING CIRCLES
- PROPORTIONS AND PERCENTAGES
- RATIONAL NUMBER ARITHMETIC
- EXPRESSIONS, EQUATIONS, & INEQUALITIES
- ANGLES, TRIANGLES, AND PRISMS
- PROBABILITY AND SAMPLING

## Teacher Note

It is important that you read and understand the syllabus. If you have any questions or concerns, please do not hesitate to follow up with me. Your parent and student letter from Ms. Terry will be attached to this syllabus.

## Academic Integrity

All work that you submit must be YOUR own work! The following are unacceptable:

- Turning in or copying someone else's work
- Doing someone else's work for them.

Academic dishonesty is nonnegotiable. I, Ms. Terry, will always make myself available to you, the student, for any extra help you may need.

The only way to **LEARN** mathematics is to **DO** mathematics.
