### **Wendell High School Philosophy**

Wendell High School believes that all students who attend school are entitled to a quality educational program. The school believes that every student can be successful in their own and unique way. In order to meet the students' needs, it is the school's belief that the staff must function as a team, along with students, parents, and community.

## **WENDELL HIGH SCHOOL CONDUCT, BEHAVIOR RULES AND REGULATIONS**

Good behavior is necessary for maintaining a safe and orderly school. Students are asked to display positive and cooperative behaviors while at school or at any school activity. The expectations for students include:

- Take pride in the school and keep it clean.
- Be on time and prepared for class and follow the directions of the teacher.
- Be polite and courteous.
- Respect each other and each other's property.
- Use appropriate language

**ZERO TOLERANCE FOR SWEARING!** Suspension is mandatory for inappropriate language.

Be neat, clean and dress appropriately (see dress code).

The following rules and regulations are enforceable during the following times and places:

- On the way to school and on the way home from school, including at bus stops and on school buses or other vehicles provided for student transportation by the school district.
- At school or on school property at any time
- Off school grounds at any school or school-related activity, function or event and while traveling to and from the event.

### **Accidents**

Even with the greatest precautions and the closest supervision, accidents can and do occur at school. They are facts of life and a part of the growing-up process our children go through. Parents need to be aware of this and be prepared for possible medical expenses that may arise should their child be injured at school.

**The school district does not provide medical (accident) insurance to automatically pay for medical expenses when students are injured at school.** This is the responsibility of the parents or legal guardians. The district carries only legal liability insurance.

The district does make student medical insurance available to families for their individual purchase. Brochures outlining the coverage and premiums are available at the high school office.

### **Activity Cards**

Students are encouraged to purchase activity cards at the beginning of each school year for \$40.00. Those who have cards may enter all Wendell High School events and activities, with the exception of dances, without charge or at a discount. Money raised by the sale of the activity cards goes to fund the many school programs that are offered. **All students participating in athletics and band are required to purchase an activity card.**

### **Activities**

There are many activities offered for students at Wendell High School. Sporting events, music concerts, pep band, various clubs and organizations, dances and assemblies are a few of these activities. Whether these activities take place at the high school or at another school, all school policies are in effect.

### **Assembly Policy**

Wendell High School Students are expected to positively participate in assemblies by listening, following directions and by demonstrating respectful and appreciative behavior.

- Wait quietly for the program to begin. If you wish to talk quietly to the person next to you, make sure you stop immediately when the program is ready to begin
- Remain seated until given instructions to leave the auditorium.

### **Athletic Eligibility Requirements**

### **Athletic- Drug Testing for IHSAA Extracurricular Activities**

Officials representing the Wendell School District have determined a mandatory drug testing program for all high school students involved in extracurricular activities in the school year, and students shall remain in the testing pool for the entire school year, including Idaho High School Activities Association (IHSAA) is necessary for the following reasons: [See District Policy # 578.: Drug and Alcohol Testing of Students Participating in Extracurricular Activities.](#)

- Health and safety of the individual and others – any student participating in a student activity under the influence of an illegal drug or alcohol is a danger to everyone.
- Prevention – many students will be able to say “no” to drugs because they will have a legitimate reason; “I want to participate.”

- Students who publicly represent our school district in various extracurricular activities and who test “drug free” will serve as role models for other students, especially younger students, encouraging those other students to become “drug free” or discouraging those other students from ever experimenting with drugs or alcohol.
- Intervention – students desiring to participate in extracurricular activities will seek professional, clerical, or parental assistance for their drug or alcohol problems.

The Board of Trustees for the Wendell School District #232 believes that this program gives a strong message to the student body and to the community that drugs and alcohol are not acceptable and offers assistance in getting free and staying free from drugs.

This program is not intended to, nor shall be used in any manner which results in the exclusion from participation, or in denial benefits, services, programs, or activities of the District to, or in discrimination against, any qualified individual with a disability, solely on account or by reasons of such disability. This program shall be interpreted and administered in accordance with Title II of the Americans with Disabilities Act (42 U.S.C. 12020ET Seq.) and Section 504 of the U.S. Rehabilitation Act of 1973 (29 U.S.C. 794).

### PROCEDURES IN THE EVENT OF A POSITIVE RESULT

- The student’s participation in all activities, as defined in this policy, shall be suspended until it is confirmed that such test does or does not constitute a positive result, as defined in this policy.
- If a student has a positive test result out of season the consequences will apply to the next season the student participates in.

## Discipline -Wendell High School Discipline Procedures and Consequences

### Progressive Discipline Procedures

When it is necessary to impose discipline, school administrators and teachers will follow a progressive discipline process. The degree of discipline to be imposed by each school official will be in proportion to the severity of the behavior of a particular student and will take into account the student's discipline history, the age of the student and other relevant factors. The Code of Conduct provides a systematic process of behavioral correction in which inappropriate behaviors are followed by consequences.

The following plan has been developed in order to assist teachers to handle disciplinary issues in a fair and consistent manner. Please note that this outline is not intended to replace the disciplinary plan used in a teacher's classroom. It is meant to provide some direction when initial efforts to improve student behaviors are unsuccessful. This is the format that will be used when any student is referred to the office for discipline.

All students are, therefore, required to dress in a manner that promotes a safe and healthy school environment, and is not disruptive of the educational climate and process.

If the administration determines that a student's attire is disruptive of the educational atmosphere or is detrimental to the health and safety of the student or other students that student will be required to change into suitable clothing. ### **Drug Policy**

Wendell High School recognizes that substance abuse, the harmful use of drugs, alcohol, and tobacco, and the problems associated with the use and abuse of drugs, alcohol, and tobacco are becoming increasingly commonplace in our society. Section 18-1502 of Idaho Code, states that "whenever a person is in violation of any federal, state, or municipal law or ordinance pertaining to the use, possession, procurement, or attempted procurement or dispensing of any drug, alcohol, or tobacco product, the violation shall constitute a misdemeanor". In 1993 the Idaho State Legislature enacted a bill that makes it a misdemeanor to have in possession any deadly or dangerous weapon while on the property of a public or private school, or in those portions of any building, stadium or other structure on school grounds that are used by the school.

Persons who are found guilty of violating this act may be sentenced to a jail term of not more than 1 year, or if a minor, not in excess of 120 days in a juvenile detention facility, or fined an amount not in excess of \$1000.00 or both.

In addition, the Board of Trustees shall expel for one year, any student violating this Act.

**For the purpose of enforcing this Act, employees of a school district shall be deemed to have the rights to search all students or minors, their belongings and lockers and/or vehicles that are reasonably believed to be in violation of this provision.**

## Parental Involvement Policy

The following is our Parental Involvement Policy that we have adopted at Wendell Middle School. We value your input and want you to know that this document is a work in progress. Please read the document and if you have any questions or comments, please do not hesitate to call the office or visit with the school Principal. Parents may access the full policy through the link on the Wendell School District web page: click link Board of Trustees, School District Policies, then read Policy # 671.

Wendell Middle School recognizes that the education of each student is a responsibility shared by the school and the student's family, therefore, the school district endorses the parental involvement goals of Title I (20 U.S.C. §6381) and Title III (20 U.S.C. §7012(e))

and encourages regular participation by parents of all children including those eligible for Title 1 and Limited English Proficiency (LEP) programs in all aspects of those programs.

In keeping with these beliefs, it is the intention of Wendell High School to cultivate and support active parental involvement in student learning. The school will:

1. Include parents and stakeholders in: Building Leadership, Title I Committees, and School Improvement Committees.
2. Hold Parent/Teacher Conferences regarding the student's academic and behavior progress twice per year.
3. Provide avenues for parents and patrons to give input to the school on ways to improve academics, sports, and other areas under the purview of the school.
4. Utilize as many forms of communication to update and announce WMS information.
5. To provide translation and interpretive services for parents and students throughout the school year.
6. Enable families to participate in the education of the children through a variety of roles.
7. Provide professional development opportunities for teachers and staff to enhance their understanding of child development, cultural awareness, and parental involvement strategies.
8. Annually review the Parental Involvement Plan.

### ***School Song***

Cheer, Cheer for our Wendell High  
For we are shouting our battle cry  
Now or never let us say  
To friends or foe who come our way  
Though we may fall  
We'll rise again  
We'll fight our best until the end  
Our school spirit never will die  
For we love our Wendell High
