

# Callahan School for the Deaf and Blind Inclusion Preschool Program

2021-2022

The mission of the Mobile County Public School Inclusion Preschool Program is to provide an appropriate educational program that will meet the unique needs of preschool children with or without disabilities. The goal of the Preschool Inclusion Program is to provide an environment conducive to each child's overall development in the areas of social/emotional, self-help, motor, communication, and cognitive skills. The Preschool Inclusion Program promotes the belief all children can learn; that early intervention is appropriate and at times vital to ensure success in life.
