A Parent's Guide to Title I

What is Title I?

Title I, Part A is a federally funded program under the Every Student Succeeds Act (ESSA). The purpose of Title I under ESSA is to ensure that **all** children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging state academic achievement standards and state academic assessments.

Which Houston County schools are Title I schools?

CB Watson Primary	Northside High	Tucker Elementary
Centerville Elementary	Northside Middle	Warner Robins High
Eagle Springs Elementary	Parkwood Elementary	Warner Robins Middle
Huntington Middle	Pearl Stephens Elementary	Westside Elementary
Lindsey Elementary	Perry Middle	WIN Academy
Miller Elementary	Russell Elementary	
Morningside Elementary	Shirley Hills Elementary	
Northside Elementary	Thomson Middle	

What supports are provided through Title I?

The Title I Program offers a variety of supports which may include, but are not limited to, additional teachers, support staff, instructional materials and supplies, technology to support student learning, tutoring, professional development for school staff and capacity building events for families.

What role does family engagement play in Title I?

Family engagement is an integral part of the ESSA law. Districts and schools receiving Title I funding must:

- Ensure that high-quality academic assessments, accountability systems, teacher preparation and training, curriculum, and instructional materials are aligned with challenging State academic standards so that students, teachers, parents and administrators can measure progress against common expectations for student academic achievement.
- Afford parents substantial and meaningful opportunities to participate in the education of their children.

Families,

You can have a tremendous influence on your child's success in school. By partnering with the school and participating in the Title I program, you will:

- show your child that you support and value his/her education.
- be able to closely monitor your student's progress.
- build stronger relationships between home and school.
- provide valuable input about schoolwide programs.

Research shows that students whose families are engaged perform better academically, socially and behaviorally. Be sure to become involved in your child's school by:

- communicating regularly with your child's teacher.
- attending academic-based family events and parent-teacher conferences.
- volunteering at the school.
- joining the Parent Action Team or School Council.
- providing input concerning the Title I program at the school.

What is Title I?

WRHS is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement policy.

WRHS Plan for Shared Student Achievement

What is it? The WRHS Parent and Family Engagement Plan describes how WRHS will provide opportunities to improve parent and family engagement to support student learning. WRHS values the contributions and engagement of parents and family members to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that WRHS will support family engagement, and how parents can help plan and participate in activities and events to promote student learning at school and home.

How is it revised? WRHS encourages parent feedback at any time during the school year. The annual Title I Parent and Family Satisfaction survey allows parent to give feedback on the year's events, required notifications, communication and budget. All families are invited to attend our annual Shared Decision Making meeting held each Spring. Families are asked to review and give feedback on Title I documents (School-wide plan, Compact, Engagement Plan, and budget including the 1% set aside.) Parents and families unable to attend are welcome to have copies of materials sent home for review. All feedback is taken into consideration when planning for the next school year. Unsatisfactory comments regarding the School-wide plan are reported to the district.

Who is it? This plan is for all students participating in the Title I, Part A program. Their families are encouraged and invited to participate in the opportunities described in this plan. WRHS will to the extent practicable, make accommodations for parents with disabilities, language barriers, migratory and /or other special needs.

Where is it available? At the beginning of the year, this plan is included in a Title I handbook that can be found online at the school website: www.wrhs.hcbe.net

What is a School-Parent Compact?

It is a written commitment describing how all members of a school community- parents, teachers, principals, and students agree to share responsibility for student learning. This compact helps bridge the learning connection between school and home.

Jointly Developed

Shared decision-making is a collaborative process that allows parents, the school and the community to make decisions together. The parents, students, and staff of Warner Robins High School collaborated to develop this school-parent compact for achievement. Parents are encouraged to attend annual shared decision-making meetings each year to review the compact and make suggestions based on student needs and school improvement goals. Parents are encouraged to participate in the Annual Title I Parent Survey that is also used as a tool to collect parent feedback regarding the current Title I programs and policies.
