October 4, 2013

**To: Superintendents, Principals, Guidance Counselors & Instructors of
Construction trade related classes**

This is to inform you that the Paducah Electrical Joint Apprenticeship & Training Committee affiliated with the International Brotherhood of Electrical Workers (IBEW) Local Union 816 & the National Electrical Contractors Association (NECA) Paducah Division, has a year-round procedure for accepting applications to our Construction Electrician Apprenticeship Program.

Applications will be accepted on the first Friday of each month between the hours of 8:00 a.m. and 6:00 p.m. at the PEJATC office located at 2110 Shade Tree Drive Paducah, Kentucky.

Enclosed is a copy of our "Notice of Apprenticeship Opportunity" and an information pamphlet provided by the National Joint Apprenticeship & Training Committee, please see that all Guidance Counselors and other interested individuals receive this information.

**Please call me if you have any questions or need additional information.
(270) 575-9646.**

Sincerely,

**Jarrod Shadowen
Training Director
Paducah Electrical JATC**

NOTICE OF APPRENTICESHIP OPPORTUNITY

FOR THE POSITION OF INSIDE WIREMAN (ELECTRICIAN) APPRENTICE

The Paducah Electrical Joint Apprenticeship and Training Committee (JATC) will make applications for apprenticeship available from 8:00 AM until 6:00 PM on the first Friday of each month. Applications will be available at the JATC office 2110 Shade Tree Drive, Paducah, KY 42003. Applications must be complete on site at the time they are issued.

To meet the minimum qualifications for apprenticeship, applicants must:

- a. Complete an application form.
- b. Be a minimum of 17 years of age. (Birth Certificate required)
- c. Be a High School Graduate, or have a GED, or have a two year Associate Degree or higher. (Documentation required)
- d. Show evidence of successful completion of: One full year of High School algebra (algebra I) with a passing grade, or one Post High School algebra course with a passing grade, or provide evidence of having successfully completed the NJATC on-line Tech-Math course.
- e. Provide Official Transcripts for High School and Post High School education and training. All GED records must also be submitted if applicable.
- f. Submit a DD-214 to verify military training and experience if they are a veteran.
- g. Sit for the electrical industry's aptitude test developed and validated by the American Institutes for Research.
- h. Obtain a qualifying score of 4 or higher using the electrical industry's aptitude test developed and validated by the American Institutes for Research.
- i. Possess a valid Driver's license.
- j. Individuals who can verify (by providing undisputable documenting evidence) that they have worked a minimum of four thousand (4000) hours specifically in the electrical construction trade, do not need to meet the requirements of items (c), (d) and (h) above.
- k. Individuals who can verify (by providing undisputable documenting evidence) that they have worked a minimum of two thousand (2000) hours specifically in the electrical construction trade, do not need to meet the requirements of items (c) and (d) above.
- l. Honorably discharged military veterans who completed military technical training school in a Military Occupational Specialty (MOS) applicable to the electrical construction industry (as determined by the JATC), and can document a minimum of two (2) years of military experience in that MOS, do not need to meet the requirements of items (c), (d) and (h) above. (Must apply within five (5) years of that MOS experience)
- m. Prior to being registered, applicants selected from the pool of interviewed applicants must be at least 18 years of age and pass a drug test. (Paid for by the JATC)

Applicants who meet all basic requirements will be interviewed by the JATC. Applicants will be selected for apprenticeship in the order of their final ranking based on interview scores.

The recruitment, selection, employment and training of apprentices during their apprenticeship, shall be without discrimination because of race, color, religion, national origin, or sex. The applicant must meet the minimum age requirement. The JATC does not, and will not, discriminate against a qualified individual with a disability because of the disability of such individual. The sponsor will take affirmative action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required under applicable law and lawful regulations issued thereunder.
