## What is SCRIP and how does it work?

SCRIP, or gift cards, are bought from local and national vendors at a discounted rate. These gift cards are then sold to our school/parish community at face value. The profit made from these gift card sales are then split between George McCann and the designated family in the form of a tuition reduction each quarter. It really is that simple!

### Example purchase and rebate:

Arco— \$100 @ 1.5% = \$1.50 rebate  
In-N-Out— \$50 @ 20% = \$10.00 rebate  
Lowe's— \$200 @ 4% = \$8.00 rebate  
Save Mart— \$400 @ 3% = \$12.00 rebate

**Total rebate = \$31.50**

SCRIP— 8% for shipping costs/supplies/etc = \$2.52  
George McCann— 46% = \$14.49  
Family— 46% = \$14.49

These are just a few examples of what we have to offer. Rebate percentage will vary from vendor to vendor. Our generous local vendors will typically have a higher percentage. Take time to look over the sales forms that were sent home with your child's class materials. This form will show all local vendors and a large number of national vendors as well as their rebate percentage. We challenge you to use SCRIP (gift cards) for your everyday needs like groceries, gas, restaurants, and more. How much will your tuition reduction be?

## How can I buy SCRIP?
