

LCS Virtual Student Meals

Parents and Guardians,

We are happy to offer free breakfast and lunch beginning on September 9, 2020, for Limestone County virtual students (and any younger child in your household not attending school yet) through December 31, 2020. The pick-up days will be Monday and Wednesday of each week. If you have more than one child and they attend different schools, you can pick up all meals at 1 location. **Meals can be picked up between 12:30-1:00pm only.** Each school will determine a pick-up location.

Schedule for pick-up meals

Monday - Each student will pick up lunch and meals for Tuesday (breakfast and lunch) and breakfast for Wednesday. *Please submit your form for Monday on the Friday before so our lunchroom staff can prepare enough meals.*

Wednesday - Each student will pick up lunch and meals for Thursday, Friday, and breakfast for Monday. *Please submit your form for Wednesday on the Monday before so our lunchroom staff can prepare enough meals.*

Instructions will be included for storing or preparing all items. Some will require cooking but most of the meals will be ready to eat.

Please look at your local school website for more details.

Here are the online meal forms for you to sign up to pick up free meals for your virtual school child or younger children at your school of choice:
