Union Dues will be deducted per OSEA billing.

* This number is an estimate as final numbers are not yet available.

I authorize the Rainier School District to make the appropriate payroll deductions as indicated above.

Rainier School District

Section 125 Cafeteria Plan Election Salary Reduction Agreement

I hereby authorize the above payroll reductions as my contribution to my employer's Section 125 Cafeteria Plan.

I understand that:

- 1. Changes in the cafeteria plan elections can only be made at the end of the plan year unless due to and consistent with a valid status change (e.g. change in legal marital status; change in number of dependents; change in employment status; dependent satisfies or ceases to satisfy dependent eligibility requirements; residence change, cost or coverage changes) and such other events as would permit a revocation or change of election under IRC 125 regulations. Participation in this plan will automatically cease upon termination of employment. In most cases NO change may be made in the Medical Expense Reimbursement Account except for termination of employment. For special rules affecting your plan, please contact your employer. Social security taxes are not paid on Section 125 salary reduction. Therefore, your social security benefits at retirement may be reduced. Unused funds remaining in the Medical Expense Reimbursement Accounts at the end of the current plan year will be forfeited.
- 2. Execution of this benefit election/salary reduction agreement does not automatically institute insurance coverage; in most instances an application for insurance must be completed. Premiums charged for insurance coverage may be adjusted by the carrier issuing the contract and my "take-home" pay may be higher or lower depending on the selections made.

This authorization replaces any previous authorization I have made.
