

# 1. Pajama Party! (and Reprise)

By Cristi Cary Miller and Jay Michael Ferguson

Mother calls, I hear her say,  
“Time for bed and no more play.”  
But, here’s my secret, it’s no crime.  
This is my favorite time!

Time for bed and I can’t wait.  
With my threads, I have a date.  
A big day has come and gone.  
It’s time to put my p.j.s on.

They’re so snuggly. They’re so light,  
And they seem to fit just right.  
Now before I start to yawn,  
It’s time to put my p.j.s on.

We’re gonna have a pajama party.  
*Snuggle up tight. They feel just right.*  
We’re gonna have a pajama party,  
And when it’s time, I’ll say goodnight.  
Whoa, whoa, whoa, whoa!

Join me now, we’ll have some fun.  
Grab your jamjams, everyone.  
We’ll sleep until the dawn.  
It’s time to put my p.j.s on.

# 2. Marching Orders

## Traditional with New Words

By Cristi Cary Miller and Jay Michael Ferguson

After dinner, when it's dark, and I am finished playing,  
Mommy says, "It's time for bed!" and then I hear her saying,

*Pick up!*  
*Pick up your toys!*  
*Pick up!*  
*Pick up your toys!*

After dinner, when it's dark, and I am finished playing,  
Mommy says, "It's time for bed!" and then I hear her saying,

*Bath time! Bath time!*  
*Splish! Splash! Rub-a-dub dub!*  
*Bath time! Bath time!*  
*Splish! Splash! Rub-a-dub dub!*

After dinner, when it's dark, and I am finished playing,  
Mommy says, "It's time for bed!" and then I hear her saying,

*Brush your teeth! Brush your teeth!*  
*Brush-a-brush-a-brush your teeth!*  
*Brush your teeth! Brush your teeth!*  
*Brush-a-brush-a-brush your teeth!*

After dinner, when it's dark, and I am finished playing,  
Mommy says, "It's time for bed!" and then I hear her saying,

*Put your pajamas on!*  
*Cozy!*  
*Put your pajamas on!*  
*Cozy!*

Now I'm sleepy as can be,  
but isn't Mommy proud of me!

# 3. Cozy Special Friend

By Cristi Cary Miller and Jay Michael Ferguson

After tucking in,  
If you're lonely then  
May I just recommend?  
You should get a cozy special friend.

If you cuddle tight,  
You'll sleep through the night  
From beginning to end.  
All thanks to your cozy special friend.

When it's night  
And I'm feeling frightened,  
I know that  
I have my friend to snuggle  
Who's always by my side. Believe me.

With my pal around,  
I'll sleep safe and sound.  
I can always depend  
On my faithful, cozy special friend.

With my pal around,  
I'll sleep safe and sound.  
I can always depend  
On my faithful, cozy special ...  
Everybody needs a cozy special ...  
I just love my cozy special friend.

# 4. Under My Bed

By Cristi Cary Miller and Jay Michael Ferguson

Something very scary, scary, scary,  
Something very scary is under my bed.  
Something very scary, scary, scary,  
Something very scary is under my bed.  
Oo!!! Oo!!!

Could it be a monster, monster, monster?  
Could it be a monster under my bed?  
Could it be a monster, monster, monster?  
Could it be a monster under my bed?  
Grrr! Grrr!

Must be very quiet, quiet, quiet.  
Must be very quiet under my bed.  
Must be very quiet, quiet, quiet.  
Must be very quiet under my bed.  
Sh! Sh! Sh! Sh! Sh! Sh! Sh! Sh! Sh!

Gonna take a look and see, look and see, look and see.  
Gonna take a look and see under my bed.  
Gonna take a look and see, look and see, look and see.  
Gonna take a look and see under my bed.

I jump down from my bed,  
And get down on my knees.  
I crawl right to the edge.  
I need some courage, please.  
I squint my eyes and wipe my brow.  
It's no surprise, I'm frightened now.  
I reach my head and lift the skirt  
And what do I see?  
**AHHHH! LOOK AT ALL THE DUST!!!!**

Something very dusty is under my bed!  
**AH – CHOO!!**

# 5. A Lullaby for Me

By Cristi Cary Miller and Jay Michael Ferguson

The sun is gone. The moon's awake.  
I'm sleepy as can be.  
Before I lay down,  
Would you sing a lullaby for me?

I know the stars will keep me safe  
As I dream peacefully.  
Still, I'll sleep better  
If you sing a lullaby for me.

Lullaby, lullaby. Lullaby, lullaby.  
Lullaby, lullaby. Lullaby, lullaby.

I can close my eyes and dream  
Of what I'm going to be.  
But first I want  
For you to sing a lullaby for me.

The sun is gone. The moon's awake.  
The stars are twink-el-ly.  
Thanks for singing  
Just a little lullaby for me.

Lullaby, lullaby. Lullaby, lullaby.  
Lullaby, lullaby. Lullaby, lullaby.
