

Friday, September 25, Early Dismissal at 11:30 a.m.

We have moved our 7 early dismissals to 11:30 a.m. on Fridays this year. No lunch will be provided. Carline will be from 11:30-11:50. Champions will not have extended day on Sept. 25.

Sister Darlene Appreciation

Due to health-related issues, Sister Darlene will be moving to Ohio this coming Tuesday. We certainly owe Sister Darlene a huge debt of gratitude for the impact she has made on our children and our early learning program these past 18 years. Many of you can give personal testimony to her influence on your children. Her impact is also evident in her close partnership with the Early Learning Coalition, the National Association for the Education of Young Children and numerous other organizations and early learning educators. Let's lift her up in prayers of gratitude for all that she has given to our Guardian Catholic community. She will be deeply missed.

Our Sympathy

We extend our sympathy to Ms. Judith Namagembe, fourth-grader Joshua Agbontaen, and GCS graduate Rachel Agbontaen. Mr. Renard Agbontaen passed to eternal life this past week. Let's support this family with prayer as they mourn the loss of their loved one. Mr. Agbontaen was also a graduate of Holy Rosary School. We pray specially for Mr. Agbontaen who now sees God face-to-face. May he rest in peace.

Progress Reports Emailed to Parents on Sept. 22

We're half way through the first quarter. Mid-term reports will be emailed to parents on Sept. 22. Contact your child's teacher with any questions you may have.

Tuesday, September 22 Free Flu Vaccine

Health Hero Florida is offering free flu vaccines to students whose parents returned a consent form. We are grateful for this community partnership!

Text Messages

If you are not receiving text messages from the school, text the word START to 223-83.

When Should I Keep My Child Home?

Knowing when to keep your sick child home is more important than ever during this pandemic. The CDC has published a Daily Home Screening tool to help parents do a quick check of symptoms. Click [HERE](#) to review the screening tool. If a student has had close contact (*within 6 feet of an infected person for at least 15 minutes*) with a person with confirmed COVID-19, the parent should keep the child home and notify Sr. Cynthia Shaffer, principal, right away.

It's also the beginning of the "regular" flu season. Keep your child home if he/she has a fever and other flu symptoms. Children must be fever and symptom free for 24-48 hours before returning to school.

Eagles soar to success both on campus and at home!
