## \*HOME LANGUAGE SURVEY\*

The Civil Rights Act of 1964, Title VI - Language Minority Compliance Procedures, requires that school districts/charter schools identify limited English proficient (LEP) students. The Pennsylvania Department of Education has selected the Home Language Survey as the method for the identification.

**INSTRUCTIONS:** At registration, please ask all parents or guardians the following questions about the language use of the child. Print responses. If one of the answers is a language other than English or the country of origin is other than the United States, contact the person in the district responsible for language proficiency assessment/instructional placement or Intermediate Unit I. Otherwise, the student is considered English language proficient and no further action is needed. A copy of this survey shall be placed in the student's permanent folder.

\*The school district/charter school has the responsibility under the federal law to serve students who are limited English proficient and need English instructional services. Given this responsibility, the school district/charter school has the right to ask for the information it needs to identify English Language Learners (ELLs). As part of the responsibility to locate and identify ELLs, the school district/charter school may conduct screenings or ask for related information about students who are already enrolled in the district as well as from students who enroll in the school district/charter school in the future.

PERMISSION TO SCREEN

2021-2022

Student Name \_\_\_\_\_ Grade \_\_\_\_\_

Date of Birth \_\_\_\_\_

School health services are designed to help students maintain optimum health and promote academic success. The following screening examinations are conducted each year in accordance with the Pennsylvania School Health Act. These grades were selected because they represent critical periods of growth and development in a child's life.

- \_\_\_\_\_ **Growth Measurement** – height, weight and body mass index measurements are checked once a year in grades K – 12.
- \_\_\_\_\_ **Vision Screening** – near and far visual acuity is checked once a year in grades K – 12. This identifies most children needing a complete eye examination.
- \_\_\_\_\_ **Hearing Screening** – hearing is checked once a year for each student in grades K, 1, 2, 3, 7 and 11.
- \_\_\_\_\_ **Physical Exam** – medical screening is performed by the school physician/nurse practitioner for students in grades K, 6 and 11. This is a basic screening ONLY-there is no diagnosis or treatment.  
\*May choose to have completed by private physician at your own expense
- \_\_\_\_\_ **Scoliosis Screening** – included in the grade 6 medical screening to detect deviations from the normal curvature of the spine through observation.
- \_\_\_\_\_ **Dental Exam** – dental health screening is performed by the school dentist for students in grades K, 3 and 7. This is a basic screening ONLY-there is no diagnosis or treatment.  
\*May choose to have completed by private dentist at your own expense

Please give your permission for these state-mandated screenings by signing your initials on the line next to the individual screening descriptions and then signing and dating the bottom of this form.

This form will be placed in your child's school health record and remain in effect while in attendance here at the Frazier School District unless otherwise directed by you, the parent/guardian, in writing.

Thank you for your interest in helping to maintain the health and well being of our children.
