

Digital Citizenship for CIPA and E-Rate

Administrator Implementation Checklist

Use this form to document your planning and implementation of CIPA requirements for E-rate.

Administrator name _____

Email address _____

Title _____

School _____

District _____

I verify that I have:

- Determined a plan to educate students in digital citizenship, according to the school and/or district's internet safety policy and the education requirements related to the Children's Internet Protection Act (CIPA).
- Identified faculty and/or staff responsible to carry out digital citizenship education at my school or district, and provided them the appropriate resources and training.
- Compiled all of the Teacher Verification Documents and any other relevant documentation that my school or district requires.
- Completed these actions during the 20__-20__ school year.
