### Contemporary Issues COURSE SYLLABUS

**Course Title:** Contemporary Issues

**Course Description:** Contemporary Issues is just a fancy title for current events. During this semester will tackle several topics such as elections, crisis's in our country, immigration, race issues, gun violence, and any other issues that impact our world or country during the semester.

**Course Outline:**

Contemporary issues is impossible to outline cause you never know what is going to happen in our world. I try to teach and discuss things that are going on as soon as they happen.

**Assessment Procedures:** Student assessment will be based on attendance and participation in class, daily work, projects, and essays.
