What Can I do:

RI 2.5 Know and use various text features.

READING

What are text features?

- Authors include text features to help the reader better understand what they have read.
- Text features provide information that may not be written in the text itself.
- Text features can be found in textbooks, magazine articles, newspapers, reports, web pages, and other forms of nonfiction text.

TABLE OF CONTENTS

- **Lists the major parts of a book along with their page numbers.**
- **It outlines the main topics or main points.**
- **Readers can use the table of contents to help locate information in the book and see how everything is organized.**

Use the table of contents to answer the questions.
