Dear Parents/Guardians,

We are excited that your child has decided to participate in an extracurricular activity at Murray County High School, and we look forward to seeing you at all of your child’s competitions. We want to encourage you to be involved in both your child’s academic and athletic career at MCHS and to become an active member in your child’s booster club(s) as it takes everyone working together to make our programs the absolute best they can be for our students. Extracurricular programs provide a vehicle for learning mental and physical self-discipline, loyalty, personal pride in the school, respect for the rights of others, and the will to win, and we are proud of the voluntary programs and opportunities we offer students at MCHS.

As the administration at MCHS, we want to stress how important it is that you support our team, coaches, and players throughout the season. We understand that there may be times you have questions, concerns, or frustrations that you feel need to be addressed by your child’s coach/sponsor. Our protocol for this is as follows:

- 1—Please do not approach a coach/sponsor, athletic director, or administrator before, during, or after a game, event, or practice.
- 2—Contact the coach/sponsor by either emailing him/her or by calling the school to set-up an appointment.
- 3—If you feel the concern is not addressed in your meeting with the head coach, then you may contact the Athletic Director, again via email or phone, to set-up an appointment.

You need to be aware that we do not allow our coaches/sponsors to discuss “Playing Time.”

We also want you to be aware that unsportsmanlike conduct from spectators will not be tolerated as your behavior at MCHS events, both home and away, is a direct reflection of our program, our school, and our community. We reserve the right to remove and/or suspend any spectator from attending school events if we deem his/her behavior to be unsportsmanlike or inappropriate.

We are proud of our school, our programs, our students, and our community, and we will continue to pride ourselves on the MCHS tradition of high expectations and excellence.

GO INDIANS,

Gina Linder, Principal

Greg Linder, Athletic Director
