

Good evening parents of the Randolph County School System,

This is Stephen Gainey. I am calling with an update regarding a decision made at the special-called Board of Education meeting held on 10/14/20. More specifically, at the Board of Education meeting on 10/14/20, a decision was made to delay the return of all students in grades PreK-5 in our school system from 10/19/20 to 10/26/20. As a result, starting on 10/26/20, each student in grades PreK-5 in our school system will attend school for five days per week unless he or she decided to engage in 100% remote instruction as of the deadline for that decision on 9/25/20.

In closing, please know that I greatly appreciate everyone's help with the start of the 2020-2021 school year.

This message also will be posted on the homepage of the school system's webpage.

I hope everyone has a great night!!!!
