

## School Incident Report FY 21

Each year, we are required to submit record of school incidents that have occurred for the entire school year to the state department of education. In summary, our overall school incident data for the 2020-2021 school year shows a district-wide decline in the number of school incidents.

- W.O. Lance data reports indicated a decrease of 96 incidents
- Lanett Junior High data reports indicated an increase of 106 incidents
- Lanett High School data reports indicated a decrease of 66 incidents
