#2, date: time: Type of Drill: Principal confirmation:
#3, date: time: Type of Drill: Principal confirmation:

Sought input from local public safety officials. Superintendent Signature:

Cardiac Emergency Response

A written plan for cardiac emergency response is available and includes: (check off to confirm)

- Use and maintenance of automated external defibrillators, if available
Activation of a cardiac emergency response team during an identified cardiac emergency
A plan for effective and efficient communication throughout the school campus
A training plan for the use of an automated external defibrillator and CPR techniques (for schools that serve grades 9-12)
Incorporation and integration of the local emergency response system and emergency response agencies with the school's plan
An annual review and evaluation of the cardiac emergency response plan (date completed)
