School Accountability Report Card Reported Using Data from the 2018—19 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Facility Conditions and Planned Improvements

Gretchen Higgins is an eighteen-year-old school that meets or exceeds all state requirements on a school facility. The campus currently contains 26 permanent classrooms and 3 portable classrooms, a multipurpose room, library, computer lab, blacktop area and grass field for activities, two play structures, and an administration office. 100% of our bathrooms are in working order. The Dixon Unified School District along with North Bay Schools Insurance performs yearly safety inspections with the purpose of identifying and correcting any and all safety issues and concerns. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. All HVAC units undergo regular maintenance and cleaning. All classrooms currently have WIFI capabilities. Above and beyond the daily cleaning standards done by the custodial staff, the district schedules a thorough deep cleaning of classrooms on a regular basis. New security fencing allows the campus to be locked up during school hours and forces all visitor traffic to check in with the front office. There are no scheduled facility improvements.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Subject	School 2017–18	School 2018–19	District 2017–18	District 2018–19	State 2017–18	State 2018–19
English Language Arts / Literacy (grades 3-8 and 11)	32.0%	36.0%	42.0%	41.0%	50.0%	50.0%
Mathematics (grades 3-8 and 11)	22.0%	37.0%	34.0%	33.0%	38.0%	39.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

At school, parent participation is an active and key component of our culture. Family members contribute to the GH community in many ways, including volunteering in the classroom attending parent education classes, organizing and assisting in daily school activities, and participating in committees. The GH School Site Council and Parent-Teacher organization encourage parent/guardian involvement in school planning and activities. The School Site Council (SSC) helps to plan and evaluate overall school programming and approves yearly budget expenditures. Our English Language Advisory Committee (ELAC) assists in assessing the needs of, programming and supports to English Learners. The Parent Teacher Organization (PTO) raises thousands of dollars for school use each year. Volunteers, community members, and staff assist with school-wide events such as book fairs, Family Fun Nights, movie nights, holiday events, and school beautification efforts. School Safety Plan (School Year 2019—20)

Maintaining the safety and security of students and staff at Gretchen Higgins Elementary School is a priority in our daily operations and long-term planning. When family members, volunteers, or representatives from outside agencies visit the campus, they first report to the office where they sign in and acquire a visitor badge. This protocol is encouraged with signage and reinforced by staff members. Students are supervised during all parts of their day. Certificated staff provides instruction and oversight during class time while classified staff supervises students during recess and lunch periods. The Comprehensive School Safety Plan is in compliance with Senate Bill 187. Yearly, the committee meets to review materials. In addition to an Incident Command structure, this document outlines responses to fires, floods, earthquakes, toxic spills, and campus intrusions. Specific instructions for staff and student response are outlined in the plan. All staff and students practice fire drills monthly and lockdown drills at least twice a year to reinforce the procedures outlined in our Safety Plan. Should such a situation arise, school staff will remain on duty to ensure the welfare of all Gretchen Higgins students until it is feasible and appropriate for parents and guardians to pick them up. The school maintains necessary first aid supplies in designated locations and these are inventoried and replaced each year.
