### Get to Know Our Faculty

Ms. Mobley owns the "I Am Northside" statement as, since 5th grade she entered the Houston County School District and graduated from Northside High School. She was a key participant in the Eaglette basketball program and holds the school record of 14.75 for the 100 m low hurdles. Upon graduation, Ms. Mobley entered the USAF as a reservist which allowed her to pursue a bachelor's degree in Business from Valdosta State University with assistance of the GI Bill.

Ms. Mobley also minored in Management Information Systems which essentially led to a career path involving support in accounting and finance, information systems analysis, and corporate technology training. Upon moving to Athens, GA, Ms. Mobley attended the University of Georgia, where she obtained a Master's Degree in Occupational Studies, which allowed her to fulfill one of her dreams of becoming a teacher. During her 15 years as a Business Educator, Ms. Mobley has served as a coach, FBLA adviser, mentor and an avid supporter of her students' extracurricular endeavors.

She received her Educational Specialist degree in Instructional Technology and Design from Valdosta State University in 2014. Currently, she teaches the IT pathway which focuses on web design. Her educational philosophy focuses on career preparation that will enable others to become employable and ultimately independent. She believes that she and her peers are proof that, if they lived within walking distance of Northside and could do it, then so can everyone else who wants to.

Ms. Mobley has two children. Her daughter Rian graduated from Georgia Southern University, where she was a scholar athlete, and is currently a graduate student at the University of Illinois. Her son Justin attends Northside High School where he participates in athletics and FBLA. Their family pet, Petals, is a Chi-Poo.

Outside of school, Ms. Mobley's activities revolve around faith, family, and fun! This includes simplicity and relaxation steeped in crafts, reading, sitting on the couch, visiting parents and siblings, and dancing in the kitchen! Since returning to Middle Georgia in 2013, she truly knows that "there is no place like home" and that "It's Great to Be a Northside Eagle!"
