Preschool Information

Week of April 27

- This is the last week for packets.
- The planet words are included for kindergarten. Please work on these words over the break. As the student learns one planet then he/she will move to the next.
- Also, the hundreds chart is included. Students can practice writing to 100 over the break. I have included a few blank charts. This is a skill mastered for the end of kindergarten. Please do not make your child complete these charts all at once. I would recommend practicing once a month.
