<p>3.</p>	<p>Public Comment</p> <ul style="list-style-type: none"> Michael Barnes, a New Milford resident, noted the Board has always been diligent in researching changes and urged them to be diligent about the move from the Lillis Building. He said nothing has changed from past comments when the Board decided not to move other than money being offered from the Mayor. He said the cost to move to John Pettibone keeps rising from under \$100,000 to \$225,000 and now \$250,000 more. He said East Street can be made ADA compliant. He said Pettibone has no A/C in some areas and no hot water in some areas. He noted that the 	<p>Public Comment</p>

	<p>Board took three years to study the closure of Pettibone with a devastating effect at the polls. He felt the townspeople should be able to voice an opinion.</p> <ul style="list-style-type: none"> • Greg Mullen, a New Milford resident, congratulated the new Board officers and thanked the Board for their service. He said the Board answers to and needs to be concerned with the welfare of the taxpayers and the children. He said growing the government footprint is never a good use of taxpayer money. He wondered how moving the administrative department would benefit the children. He read the draft MOU and said it is now adding \$600,000 to the Mayor's numbers. He said part of the money is to come from the sale of East Street which has not happened. He also said the sale of Pettibone could have a significant impact on the tax impact and tax relief. He said the Mayor and Director of Finance are being accused of misappropriating money and he suggested the Board members table the discussion of the lease until that issue is settled. • MaryJane Lundgren, a New Milford resident, thanked the Board for their service to the community. She urged the Board to make the move to Pettibone. She said she went to East Street over 50 years ago as a freshman and it was in bad shape then. It is still in bad shape with ADA compliance issues, a cracking foundation and roof problems. She also said there is a lot of misinformation being spread. • Kris Stewart, a New Milford resident, noted there seems to not be a lot of support for the move to Pettibone but she felt it was a good idea. She said people come to New Milford because of the good education and the good facilities. She asked why the Board has had to deal with this issue for so long. 	
<p>4.</p>	<p>PTO Report</p> <ul style="list-style-type: none"> • Kathleen Lewis said Scholastic book fairs were 	<p>PTO Report</p>

	<p>held in all the K-5 schools last week. The K-5 schools are also sponsoring holiday shops where the students can shop for family members at reasonable prices.</p> <ul style="list-style-type: none"> • Schaghticoke’s Crane-a-thon will be wrapping up this Thursday. The cranes will be displayed in local hospitals for the holidays. • They are also sponsoring a Star Wars movie day at Bank Street this weekend. • Overall the PTO is happy with the new photography company, Lifetouch. All the student and staff pictures have been taken. They will start to visit the schools to take candid photographs for the yearbooks. • Grad Party will continue to raise funds for the big celebration in June. They are always looking for volunteers and donations. • The PTO would like to wish everyone a happy holiday and a very healthy and happy New Year. 	
<p>5.</p>	<p>Student Representatives’ Report</p> <ul style="list-style-type: none"> • There was a concert for jazz band and orchestra on December 8th. • The chorus concert will be December 15th. • As of this meeting there are seven days until Christmas break. • Musical auditions for Mary Poppins were held and rehearsals will start soon. • Winter athletics started December 3rd. • The French Honor Society held its annual Star Project where students bought books and boots for kids in need. • The National Honor Society held a Thanksgiving Food Drive and will be working with the Key Club on a pajama drive. • January 19th is the incoming freshman class orientation for the class of 2021. • The student wished all Happy Holidays! 	<p>Student Representatives’ Report</p>

He handed out the answers to questions from the Mayor's visit to the committee on September 6th regarding Pettibone. • He said there are three areas of concern: the cost to move, what the Board will be responsible for, and the lease. He said this item has been talked about in September, October, November and December. He noted this move was not the Board's idea. • Mrs. Faulenbach asked why the document with the answers was handed out and Mr. Coppola said some people said they were not aware of it. • Mr. Coppola noted the roof at Schaghticoke is done and the chiller is in and will be tested in the spring when weather allows. • The capital budget draft has been prepared but is flexible. • Parking at Northville is apparently an issue to be looked at. • The turf fields are done as is the facility donated 	<p>Committee and Liaison Reports</p> <p>A. Mr. Giovannone said there are three lines in the negative – custodians, technology and nurses. He said the timing of the report created the negative number because the lines go against available cash, not the encumbered amounts; they are liquidated to cover payroll actuals and so if the report ran today they would not be negative. • Mr. Coppola thanked Mr. Giovannone for the way he is handling transfers and how he explains everything. <p>The motion passed unanimously.</p> <p>C. This would be a waste of money. • Mrs. Faulenbach said she disagreed and that the Board has heard, through this process, that their staff was not qualified to give the information back to the Mayor. She felt the Board should welcome the information to explore the options. • Mrs. McInerney clarified that the intent of the bid is to gain an assessment of the costs and Mrs. Faulenbach agreed. <p>The motion failed 2-6. forward with the MOU versus a lease. Mr. Lawson said this would be the agreement with conditions.

- Mr. Littlefield noted this agreement says non-binding and asked what would happen to the Board if the Town decided later on it had other plans for the building.
- Mr. Dahl said the agreement is non-binding until both parties agree.
- Mrs. Faulenbach cautioned the Board about entering into a 25-year agreement without counsel looking at the document. She also said counsel was not at this meeting tonight to advise. She noted the agreement does not mention the students and wondered how this was going to be funded if East Street doesn't sell right away. She also noted the sale of East Street would have to get Town Meeting approval.
- Mr. Coppola said if there was no money then this agreement would be null and void.
- Mr. Littlefield asked how the Board would move without the money. He also asked what the terms and conditions were for the lease.
- Mr. Lawson said prior to occupancy there would be a checklist of items.
- Mrs. Faulenbach pointed out that taxpayer money would already be spent and wondered what would happen to that money if the checklist was not met. She felt a committee should have been formed to discuss Pettibone. She also noted that the previous plan to do work at East Street was for a complete overhaul. This project now just calls for bringing the building up to ADA compliance. She said the current proposal now calls for spending \$120,000 just on electrical work at Pettibone. She also asked how funding would be found for the roof repair of \$1.4 million.
- Mr. Littlefield said he joined the Board to make improvements to education but the Board has now been discussing these buildings for three years.

	<ul style="list-style-type: none"> • Mr. Coppola said the project should be completed by June of 2017. • Mrs. Faulenbach said East Street has been appraised at between \$1.6 to \$1.9 million while Pettibone has been appraised at between \$5 and \$11 million. • Mr. Schemm said he agreed with Mr. Littlefield about why he joined the Board and said that is why he will vote for this motion. He said this would put the Board in the position of supporting a larger community effort. • Mrs. McInerney said there has been no work done in over 10 years to make East Street ADA compliant and noted especially that to get to the Special Education office would require either an offsite meeting or having the person carried to the office. • Mrs. Faulenbach said the study could help determine what it would cost to get to ADA compliance and might prove more cost effective than the move to Pettibone. <p>The motion passed 6-2.
