Reminders

The best way to contact me is via email: Susan.Martin@lhusd.org

I am at Starline Elementary on Mondays, Thursdays and Fridays. My office phone number is 505-3448. It's been a summer full of changes and challenges for most families. I hope you found some time to relax during the break. Although the start looks different, it's my hope that all students have a successful experience this 2020-2021 school year.
