**REMINDER: Please make sure you return ALL office paperwork, EMERGENCY forms, etc. to the office ASAP!!**

## RELEASE OF STUDENT INFORMATION TO MILITARY

Federal laws require all schools which receive federal funds to provide upon request made by military recruiters or an institution of higher education access to secondary school students' names, addresses, and telephone listings. A secondary school student or parent of the student may request this information NOT BE released without prior written parental consent. Such requests should be made in writing and kept on file in the school office.

## FOOD ITEMS BROUGHT TO SCHOOL

Just a reminder – based on health concerns, our school prohibits home-prepared food or beverages from being brought to classrooms to share with students. For this reason, only commercially packaged foods and drinks may be used. If you wish to celebrate a birthday at school, please clear it with the classroom teacher involved well in advance so that time can be arranged for it. This also pertains to Middle School Big Deal Days and dances. See School Handbook for more information.

## JUNE STUDENTS OF THE MONTH

Back row, left to right: Teigen Overstake, Liam Lennox, Addyson Holmes, Dallas McGrath, and Cody Vicars. Front row: Anna Porter and Banyan Baldwin.

## OPEN HOUSE

**Thursday, September 12**

5:30 to 7:30 p.m.

**DINNER begins at 5:30**

Dinner provided at no cost by the Pe Ell Booster Club

**6:00 to 7:30 p.m. Meet the Teachers**

## AIDS CURRICULUM

Students in grades 5 through 12 will be learning the state's mandated AIDS curriculum this winter/spring. Parents who wish to review the curriculum may do so by calling the school.

## YOUR CHILD'S PICTURES

Throughout the school year, we take pictures of our students participating in various school activities. Often, we publish these pictures as a means of sharing what goes on in our schools with the community. Such publications include, but are not limited to, the Pe Ell School District Newsletter, our website, and local newspapers. If you wish that your student not be photographed and included in these publications, please call the school office and complete the necessary paperwork for our files.

## CUSTODY DOCUMENTATION

In cases involving court-ordered custody of children, the District must have legal documentation of restrictions to ensure compliance with court orders.

**Do you have P.E. shoes that your children have outgrown? We are ALWAYS in the need for students who cannot afford them. Please drop them by the office. Thanks!**

## IT'S A SMALL WORLD AFTER ALL....

Rico Ames, Hezekiah Carter, Dana Isham, and Andrew Schulz, along with FBLA advisor Ms. Schimelpfenig, had an amazing time in San Antonio, Texas. Along with competing in their events, participating in business seminars, and networking with fellow students from all over the world, they had an opportunity to see the sites and tour the area including the River Walk and the Towers of the Americas. But our most exciting event was touring the Alamo where we ran into the entire Joner family who were present to see recent Pe Ell graduate, Luke Joner, graduate from Air Force basic training. Congratulations to all the boys!

Pictured at the Alamo in San Antonio, Texas, are left to right: Hezekiah Carter, Dana Isham, Andrew Schulz, Rico Ames, and Luke Joner.

*Thank You!*

As we get ready to begin our first year of a four-day school week, we want to thank you for your comments and cooperation. This innovative and flexible schedule change will feature many new & exciting opportunities for our students with Enrichment days, an after-school program, and the ability to implement character-centered curriculum with our students. Our school web site and future newsletters will continue to keep everyone informed.

## STUDENT IMMUNIZATION

Kindergarteners and sixth graders, please have your immunizations completed prior to school starting. These can be obtained at either your doctor's office or a pharmacy. The Lewis County Health Department is NOT giving immunizations at this time due to remodeling. Be sure and **bring documentation on the first day of school.**

## NOTES

Each student must bring a note upon returning to school after an absence. They will also need a note in order to be excused from class early for doctor appointments or pre-arranged absences, etc. Each student wishing to ride a bus or walk somewhere other than his/her normal stop **MUST** bring a note from home prior to any change. The school cannot write notes over the phone for this purpose, unless it is an emergency.

## FOOTBALL GAMES AND SEASON PASSES

Football ticket prices will remain the same as last year. Season passes are available for \$75 per person. This pass allows you to enter all home games, including PWV Titan Football games played at Valley, Jr. High and High School at no charge. Golden Age passes are \$20 for age 60 and over.

## LEAD IN WATER

In 2017, the Legislature directed the Washington Department of Health (WDH) to test for lead in the drinking water of all public schools. Before this mandate, we did our own random check of bubblers (drinking fountains) after the flood and the Town of Pe Ell water system update. Those checks did not produce any high measures. This spring, WDH was able to schedule a thorough test of our school water system. We received our results this summer. The threshold set by the state was 20 ppb (parts per billion) as needing action taken. Of the 45 sites tested, the results showed one bubbler above 20 (23) and three in class sinks (66, 24, 23) and two kitchen (dishwashing area) sinks (66, 33) above the threshold.

The first step is to remove any of the above that involve drinking water out of service. The second, to replace old faucets with new ones and retest. We are currently in the process of doing that. Most often new faucets rectify the problem. We won't allow any of these classroom sink faucets or the one drinking fountain to be used for drinking water until we have a retested with the new hardware and it passes. Thank you for your patience in this matter. We are thankful our state is taking the time to help us keep our students safe and healthy. Contact Superintendent Kyle MacDonald if you have questions.
