### 13 Stories that capture the agony and ecstasy of being thirteen.

Thirteen. It's an age of wonder...or dread. The best year of your life...or maybe the worst ever. Here, from fourteen different points of view, are stories about that wonderful, terrible time. From the big bar mitzvah that goes suddenly, wildly, hilariously out of control, to a crush on a girl that ends up putting the boy who likes her in the hospital. A parakeet's funeral to a pair of sneakers that a kid has to have, no matter what. Written by some of today's finest writers for young adults, these stories -- by turns funny and sad, wrenching and moving -- truly capture the agony and ecstasy of being thirteen.
