

Meet the Counselor

FACTS:

- Arizona Native born and raised along our Colorado River and
- LHUSD alumni
- Come from a very blended family
- Has one dog and three guinea pigs
- Loves Coffee

Hello, my name is Marti and this is my first year at this amazing school. I know I am new and unfamiliar to some but don't worry! We are going to have an awesome year.

I provide classroom lessons, individual and group counseling. In addition, I provide 504 plan coordination and teacher collaboration. I support the school on the Positive Behavior Interventions Supports (PBIS), and Student Intervention Team (SIT).

Sometimes, students need encouragement to finish their day and that is why I am here. These services help our children reach their full potential.

I graduated with my Bachelor in Social Work and Master in Social Work from Northern Arizona University from an accredited program.

I have worked with children, families, and students in several different capacities within the last 6 years. I served families and children involved in foster care, adoption, juvenile court, academics, higher education, and in need of independent life skills. This is my first year as a school counselor and excited to be your support.
