

Dear Parent/Guardian,

We at Odem-Edroy Independent School District take the health and wellbeing of your children very seriously. It is important that you speak to your children about the importance of handwashing and wearing their mask properly if age appropriate. Also, we would like to remind parents to please keep your student at home and call the Nurse office if they have any of the following symptoms:

- Feeling feverish or a measure temperature greater than or equal to 100.0 degrees Fahrenheit
- Loss of taste or smell
- Cough
- Difficulty breathing
- Complaint of shortness of breath
- Fatigue
- Headache
- Chills
- Sore throat
- Congestion or runny nose
- Shaking or exaggerated shivering
- Diarrhea
- Nausea
- Vomiting

Also please be aware that our District Protocol states that if a household member is waiting on COVID-19 testing or test results, parents must inform the School Nurse and household members must stay home until cleared to return. Please let me know if you have any questions.

Thank You,

Lisa Perez RN
District Nurse
