

PRATTVILLE HIGH SCHOOL

COVID-19 EXTRA-CURRICULAR IMPLEMENTATION PLAN

Beginning June 1, 2020

Revised 7/9/2020

- Students will be required to check in for daily wellness checks using the nurse checklist and to answer correctly to the questions on the checklist. *(This checklist will also serve as the daily record of attendance.)*
 - Temperature check, a normal temperature does not exceed 100.4 degrees Fahrenheit
 - Have not been in close contact with a confirmed case of COVID-19
 - Are not experiencing a cough, shortness of breath or sore throat
 - Have not had a fever in the last 72 hours
 - Have not experienced new loss of taste or smell
 - Have not experienced vomiting or diarrhea in the last 24 hours

Any answer to the above questions that does not fall within the appropriate response category will prevent the student from participating in athletic activities until the answers to the questions can be satisfied. Appropriate steps will be taken depending on responses given.

GENERAL GUIDELINES

- Any student with a preexisting condition will be monitored according to his/her healthcare plan. Nurses will be on staff as required by healthcare plans to assist in medical need.
- Only essential personnel and students will be allowed during workouts and practices. Parents will be instructed on the pick-up and drop-off procedures for each facility so that all students and families meet the social distancing requirements.
- All entries will be through the Entry designated (A) of each facility and exiting will be through an alternate exit designated (B). Entry (A) will have hand sanitizing upon entering the facility and Exit (B) will have hand sanitizing prior to exiting the facility. All athletes and coaches will be required to utilize the sanitation stations at each entry and exit point.
- Sponsors will be positioned in the pick-up and drop-off area outside the facility to ensure social distancing guidelines are met.

- Extra-Curricular groups will be limited to a ratio of 12:1 (students: sponsor/group leader) or 36 square feet per student which will also include the same 36 square feet for the sponsor.
- Students will provide their own labeled water bottle. (There will be no drinking stations or shared water bottles, cups, or other drinking devices.)
- Masks or facial coverings will be worn inside all facilities.
- Students will provide their own facial covering to ensure both the nostrils and mouth are covered.
- All locker rooms will be restricted unless granted individual permission by the sponsor.
- All breaks will be supervised by sponsors so that social distancing guidelines are maintained and proper cleaning is completed following each break.

DURING THE ACTIVITY:

- Students, sponsors and spectators shall not congregate within 6 feet of a person from another household except to the extent necessary and only to the extent necessary for students and sponsors to directly participate in the activity.
- Students, sponsors and spectators shall refrain from high fives, handshakes, and other physical contact except to the extent necessary and only to the extent necessary for students and sponsors to directly participate in the activity.
- All students and sponsors must wear facial covering when within six feet, except when directly participating in the athletic activity.
- Student groups and sponsors will not interchange during the day. **(One sponsor designated to each group of students per day.)**
- Equipment will be wiped and sterilized after each student has completed the activity.
- Student groups will exit through the designated Exit (B) and use the hand sanitizing station.

OUTSIDE ACTIVITIES:

- Students will maintain social distancing guidelines and enter the appropriate designated entrance (A) for the athletic facility needed to participate in the athletic activity.
- Students, sponsors and spectators shall not congregate within 6 feet of a person from another household except to the extent necessary and only to the extent necessary for students and sponsors to directly participate in the activity.
- Students, sponsors and spectators shall refrain from high fives, handshakes, and other physical contact except to the extent necessary and only to the extent necessary for students and sponsors to directly participate in the activity.
- All students and sponsors must wear facial covering when within six feet, except when directly participating in the athletic activity
- Students will provide their own labeled water bottle. **(There will be no drinking stations or shared water bottles, cups, or other drinking devices.)**
- Student groups and sponsors will not interchange during the day. **(One sponsor designated to each group of students per day.)**
- Student groups will exit through the designated Exit (B) and use the hand sanitizing station.

DROP-OFF/PICK-UP:

- Students will be picked-up and dropped-off in the front parking lot of each facility. Sponsors will supervise pick-up and drop-off procedures to ensure that students report directly to assigned locations and that they follow social distancing guidelines.
