# SUNFLOWER COUNTY CONSOLIDATED SCHOOL DISTRICT

---

Mrs. Miskia Davis, Superintendent  
“United for Excellence”

## Weekly Information Blast: September 17, 2020

**Technology Update:** Many of you have inquired about the technology that the district has purchased to assist with student learning. Our original date that we were given was September 15th. Unfortunately, that date has passed and the devices are not here. We have been told that the devices are at facilities and being prepared for students, but we have not been given a new date for arrival. We knew that there was potential for this to happen, but we also have no control over the shipment. We recognize how difficult this experience has been, but as soon as we get a solid update on the arrival, we will let you know!

**Virtual Learning Kudos to Teachers, Parents, and Students:** We want to acknowledge those who have boldly stepped into virtual learning to start this school year. Never could we have imagined that we would be conducting instruction fully by computers, tablets, and phones. Though it has been a learning experience, we have had teachers step up to the plate in doing their absolute best to provide instruction to our children. So...

- To the teachers, who are staying up late pulling resources together for Zoom...THANK YOU!
- To the parents who are sacrificing in so many ways to have their children logged in and also pulling double duty to keep up with the instruction...THANK YOU!
- And to the students who have been thrown into this type of experience on the fly and asked to adopt a learning style that usually is for college students...THANK YOU!
