K-5 Plans
Digital Learning 2020
Ms. Dixon - Art

Step 1: Pick your own theme or create your own

- 1. What is your dream vacation?**
- 2. The adventures of you and your pet...**
- 3. If you visited/discovered an alien planet...**
- 4. What is your favorite season and why?**
- 5. The adventures of a cartoon YOU...**
- 6. If you were a superhero, how would you save the world?**
- 7. If you had a magic balloon that could take you anywhere, where would you go?**
- 8. Have you ever found something cool? What did you do with it?**
- 9. If you created a dream pizza, what would it have on it?**
- 10. What would you do if you found a unicorn?**

Step 2: Create a title

On your outline page, come up with possible titles for your book.

Step 3: Brainstorming

On your outline page, brainstorm a beginning, middle, and end. These ideas do not have to be full sentences, just an idea.

Step 4: Building Character

**On your outline page, list the name and a detail about each character you want to include in your book.
i.e. Godzilla: my pet chihuahua who thinks he is the biggest dog on the block**

Step 5: Pre-writing

On a scratch piece of paper, write down your story in full. Then, have a grown-up read the story. Ask them to make any corrections to spelling and/or punctuation. Finally, ask them to give any suggestions.

Step 6: Re-writing

Write down your story using the pages provided either on Ms. Dixon's website, or printed by the school. Make sure to be neat. Write in your nicest handwriting.

Step 7: Illustrating

First, illustrate the cover of your book. Then, illustrate each page using any materials available - pencil, crayons, markers, colored pencils, paint, etc. (If you have any questions about this, contact Ms. Dixon)

Step 8: Finalize

Bring your book to Ms. Dixon after Digital Learning is over! They will be enjoyed and displayed by the entire school!
