

PPS weekly reminders:

- We are doing a super job keeping everyone safe and healthy by wearing our masks and sanitizing. Parents please remember our masks should be washed daily. Our students are working hard each day to wear them and we want to ensure we do our part as adults and help them keep those clean.
- We are excited to announce we are now able to allow students to occasionally play on the playground equipment when weather permits. Our physical education department is doing a super job sanitizing between classes. In addition, we are also going to allow students to attend library classes in our library beginning Monday. In both areas, we will continue to practice social distancing by wearing our masks, sitting in assigned areas and sanitizing between each class.
- Snacks are offered daily on the snack cart for .75 cents each. On Fridays we have special snack options for \$1.00 and this week we will have AirHeads.
- Also on Friday, for our PPS Spirit Day, it will be TWIN DAY. It will be exciting to see what our students come up with for this fun day.
- This week our students will work as a class to decorate a pumpkin that will be featured in the City of Prattville's parade of pumpkins.
- Our staff is busy planning a Monster Mash Walk event for our students that will be on Friday, Oct. 30. Make sure to review this information that will be sent home in our Tuesday folders this week. During this difficult time we want to help celebrate our students as often as possible and this is sure to do just that.

As always, thank you for your support.
